Ballinafad

Area W.I. members top bakers in district

by Winifred Smith
 Eight W.I. members of the Ballinafad Branch attended the Halton District Annual meeting on Thursday of last week. It was held at Hillcrest Church, Hornby. The roll call, which was to hand in the pennies for friendship and tell of a A.C.W.W. Country beginning with the letter of the name of your branch. Ballinafad choose Brazel.

Four members put on a short amusing skit. They were Frances Buckrell, Margaret Jamieson, Reggie Slessoraitis, and Lillie Given. Other branches each did something similar as their turn came up. Congratulations to our neighbourhood branch Silverwood who won first prize in the baking competition, Mrs. Beoney being the baker. Limehouse won 2nd prize

with Mrs. Anderson doing the baking and Ashgrove winning 3rd, Mrs. Doris McNabb making the carrot loaf.

A few area couples journeyed to Ferguson on an evening last week where they attended a 40th wedding anniversary. It was to honour Mr. and Mrs. Ken Cotton, who lived in Ballinafad for a number of years.

Limehouse

Trips popular with villagers

by Mrs. A.W. Benton
 Mr. and Mrs. Albert Leferink, long time residents of our village, returned on Thursday from a two week visit with relatives in Holland.

Kim Bailey, Rhonda Case, Christine Book, Debbie DeVries and Catherine Cutler, local students who attend Stewarttown school, last week spent a few days on a bus trip to Washington.

Grade 6 students at Limehouse accompanied by teachers Mrs. Andrew and Mr. Zanetta will leave May 20 on a bus trip to Dorset to study nature.

We extend sympathy to Frank Anthony and his little son in the death on Sunday night of his wife after a lengthy illness.

Limehouses are gradually winding down their year. They just had a hike to see a

beaver dam which they all enjoyed. Last week Mother's Day weekend. This year the 20 mile weekend hike went from the Limehouse Scout Hut to the Halton Radial Railway Museum near Eden Mills. They had good weather and they all survived it very well. It is a difficult hike especially for the boys on it for the first time. It is more than a hike. They have to cover tree identification, compass work, make 3 homemade items and make bannock during the weekend.

The annual Father and Son Banquet was held May 12 at St. Alban's Church in Glen Williams. It was pot luck and the mothers all sent delicious casseroles and pies and cakes. Special guests attending were Jean Anderson, President and Jean Kirkwood, Sec'y-Treas of the Women's Institute, Jean Belshaw, District Scout Council President, Andrea Sharples, District Beaver Co-ordinator and Bob Barber, District Commissioner. Highlight of the evening was the showing of slides from the Scout canoe trip last summer, with Tom Ruggie and Geoff Cannon narrating.

Presenting Eckhill Telsh Lucinda, far right, a Holstein owned by Hugh and Agnes Eckerch left, along with their son Randy. The Eckerchs had their herd classified Thursday and Eckhill Telsh Lucinda, was awarded a "very good". That's the second-highest rating a cow can get, so all four were quite proud of her achievements. Mr. Eckerch said he would start showing a few of his herd at upcoming fair

with Mrs. Anderson doing the baking and Ashgrove winning 3rd, Mrs. Doris McNabb making the carrot loaf.

Acton Ford dealer to greet runner

A British Columbia man, 21 year old Terry Fox, who lost a leg to cancer two years ago, is running across Canada for the Canadian Cancer Society and will be coming through Acton around June 19 or 20.

On his way, he will greet Acton resident Lorne Doberthien who also lost a leg to cancer five years ago. Lorne hopes to gather pledges and travel part way with Terry.

Ford of Canada donated the van following Terry so the able runner will be visiting Ford dealerships along the way. Lorne is also president of Acton's Ford Dealership, L & L Ford.

Terry started his run in April from the Maritimes. Within the first weeks he had gone through one prosthesis and is working on another. He plans to finish his run in British Columbia in the fall.

The Canadian Cancer Society invites local groups to arrange sponsored jogging groups to trek along with Terry for part of his journey or to sponsor Terry himself.

 On Friday the health nurses came and gave booster shots to all people ready for them. A few hours after the shot the part of the arm which the shot had penetrated hurt. The soreness wore off around one day after the injection and it then became a bruise.

On Thursday and Friday the grade 4's dressed up like greasers. They had a lot of fun.

A week yesterday the dental nurses came and spoke to the students about keeping your teeth happy and healthy.
