## Fobert first

The Acton Restaurant Outsiders sent the father-son combination of Jules and Ray Russian to the mound in an attempt to stop first-place Fobert Real Estate, in Sunday's Condo ball league match.

Fobert built up an early lead through the first four innings before the Outsiders bats started to work.

The eight-run lead proved too much for the Acton Restaurant team, although they staged a comeback in the sixth and seventh innings.

The Outsiders still fell 8-4 however.

Stan Clarke, Bob Merriken and Bob Prestige threw for Fobert, who remain undefeated this season.

Officials for the game were umpires Gary DeBruyn and Ray Nolan. Sue Palsen was score-keeper.

Friday's night game between the Acton Firemen and Achilles Motors was rained out and will be played at a later date.

For league standings see scoreboard.

## Bulldogs win war

The Acton Bulldogs tug of war team started the season with a victory at the Newmarket Highland Games Saturday.

Team members Chuck Mitchell, John Emerson, Willy Mitchell, Denzel Heights, Jim Mitchell, Walker McClaren, Terry Winters, Larry McGaffey, Cliff Wedge, Dennis Mitchell, Don Franklin and Bob Mitchell out-tugged General Radio Repair, Newmarket Optimists and CKAN radio to claim the first prize money.

The Bulldogs were sponsored by Alton Mclsaac Concrete, A.P. Green and Gordon B. Dawe Real Estate.

The next scheduled games are the Speyside Highlands held at the Georgetown Fair Grounds on Saturday.

## Correction

In last week's story of high school athletic awards, the recipient of the outstanding intramural participant was incorrectly identified. The winner of the award is Rob Warrington. The Acton Free Press regrets the error.
