**Dear deer**  
"We've both got spots, but that's where the resemblance ends," says Sally the Dalmatian surveying her new baby with puzzled eyes. The Baby is a three-day-old Japanese Sika deer weighing in at under 10 pounds. Sally takes care of the friendly wee deer but his human owner, Joy Lindvik of R. R. 2, Acton provides the nourishment with goats' milk in a beer bottle. The deer is just the latest in a long line of unusual pets on the Lindvik farm (zoo?).

## Gifted students require help

"In many school are rewarded with high systems gifted students grades for operating at intellectual half speed," according to a specialist in education for the gifted.  
The statement came from Dr. Jim Gallagher during the recent International Conference on Education for the Gifted at Sheridan College. Halton educators attended the conference.  
"These gifted students," he said, "are capable of extremely high performance, but they require help beyond the regular classroom. It is the responsibility of the school system to find them and assure they get this extra assistance."  
There have been times when society as a whole recognized the need for people with special gifts of intelligence, such as in war.  
"We desperately need a revival of excellence today, that is the surest protection we have against the slings and arrows of nature."  
Despite the admission of this need by national leaders, it is difficult to get support for programs that do not have immediate political benefits.  
"The programs that have immediate political constituencies are still more likely to survive in these times of tight budgets than the programs that are really necessary that don't have a political base."

## Amendment cuts nomination period

Changes to the Municipal election Act will cut two days off the nomination period.  
Halton Hills municipal election day will be Monday, October 20. This gives candidates a three week campaign time.  
Until this year nominations could be received during the six days prior to the closing of nominations but this year it will be reduced to four.

## The school beat

**M.Z. Bennett**  
by Lisa McIsaac  
Thursday our school held its annual Track and Field day. All events were completed except the relays, which will be held, weather permitting this Tuesday. Many of the children who took part won ribbons for their events. Those who didn't had a lot of fun participating.  
Many of the winners of our Track and Field meet will participate in the area meet which will be held on Thursday, June 19.  
Tomorrow, June 12, Kindergarten Orientation will be held at our school. Programs will take place at 10:00 a.m. and 2:00 p.m. Next year's Kindergarten pupils will visit their new class for the first time in order to meet their teachers and get used to their new surroundings.

This Friday the grade 8  
classes will be going to  
Acton High School to  
experience the programs  
that they will be taking  
next September. They  
will be going to the High  
school in the morning and  
spending the day there.  
While the grade 8's are  
away the grade 5's are  
away the grade 5's from  
Robert Little and M.Z.  
Bennett will be coming  
over to McKenzie Smith  
and the grade 6's will be  
showing them around.  
During this week the  
grade 8's are having their  
High School testing.
