AND SEE

SEE CANADA FIRST! But before you leave, take a detour to the Auto Touring Department at your local Hamilton Automobile Club office. Helpful assistance and recommendations from our trained counsellors will prove invaluable to you when travelling anywhere on the North American Continent.

EXCLUSIVE AUTO CLUB maps, tour books, listing points of interest and inspected and approved accommodations, travel brochures and camp guide booklets are all available to H.A.C. members... ABSOLUTELY FREE! And we'll even take care of all your hotel and motel bookings, too — from Northern Canada to Southern Mexico!

FREE

CANADA FIRST

PERSONALIZED TRIPTIKS can be charted especially for your holiday — anywhere in Canada, the U.S. or Mexico, at anytime of year. Your own triptik booklet will include a detailed route map indicating the best highways with explicit mileage figure on each page. These customized and exclusive travel guides also indicate locations of accommodations, service stations and affiliated Auto Clubs along the way...

PLUS notations and background information on historical and special points of interest!

If you are staying near home, the Club has a booklet outlining H.A.C. mini vacations as well as a list of special events in the Province.

Your Hamilton Automobile Club membership card is your passport to protection and service — keep it with you at all times!

The temporary card does not provide all the services, however, it puts you in the driver's seat with FANTASTIC protection at no cost to you for one month. JOIN NOW for year round protection.
