

R. E. Manuel C.R.O.

As Mayor of the Town of Elliot Lake, may I take this opportunity to invite you to visit our town?

We have every facility to serve you during your stay in Ontario's fastest-growing town.

Elliot Lake is a hub of activity—the Annual Uranium Festival, June 25th to July 1st, is a week of fun for one and all. While in our town, do visit the Nuclear Museum and possibly take a Mine Tour, also.

Whatever your reason to visit us, you will be greeted by hospitality and friendly people.

I am very grateful for the opportunity provided me to extend a warm invitation to all our friends in southern Ontario to visit us this summer.

I sincerely feel that a trip North will be a recreational and educational experience. We have the natural amenities available and we are undercrowded.

Our summers offer a wide selection of activities in Provincial parks, private parks, or natural settings. Swimming, power boating, water skiing, fishing, camping, golf, sailing and tennis are available throughout the region.

We have some of the most exciting tours in North America, which includes lumber mills, mines (surface and underground) pulp and paper, train and water experiences, bus tours and educational tours.

J.J. Doody

Robert V. Gallagher

On behalf of the Town Council, I invite you to visit Blind River — the friendly community in the heart of Algoma on the North Channel of Lake Huron.

Enjoy yourself at one of our splendid beaches or campsites. Use our marina, fish, or visit our beautiful museum.

Bring your friend and enjoy the hospitality of one of the nicest communities in Ontario.

I look forward to seeing you.
