

Walk the Pulp and Paper Path.

Now vacationers in the James Bay Frontier can learn about Canada's forest industry on the Abitibi-Price/Iroquois Falls' Pulp and Paper Path.

You can watch a logging operation from Tuesday-Friday during July and August. See how land is reforested. Eat an all-you-want lunch at a real bush camp. And then tour a newsprint mill and watch how paper is made.

Tours start at 9 a.m. in Iroquois Falls. Follow the signs. See you there!
Children under 8 not permitted.
