## TRI-TOWN (New Liskeard, Halleybury, Cobalt)

Ever wish to go back in time, yet have all the modern conveniences of today? Well, you can. Just take a trip to the North's "Tri-Town" area—New Liskeard, Halleybury and Cobalt, while on vacation.

In all three of these towns you will find a different life style, a peace and quiet which is so lacking in big, bustling cities. The air is clean, the water fresh and abundant, and every type of outdoor activity is catered to.

Yet, along with this peaceful atmosphere, you will find the most up-to-date and modern facilities for dining, for entertainment and for accommodation. You will also find many rustic lodges and camping grounds which may be just what you are looking for, too. Also, every year there is the big Cobalt Miners' Festival, which has provided some exciting stories for many a visitor or vacationer in the past!

Fish, boat, swim, ski, snowmobile, golf, or just relax—in a peaceful little Northern town, where hospitality and welcome are the passwords—visit the Tri-Towns...again and again!

## SUDBURY

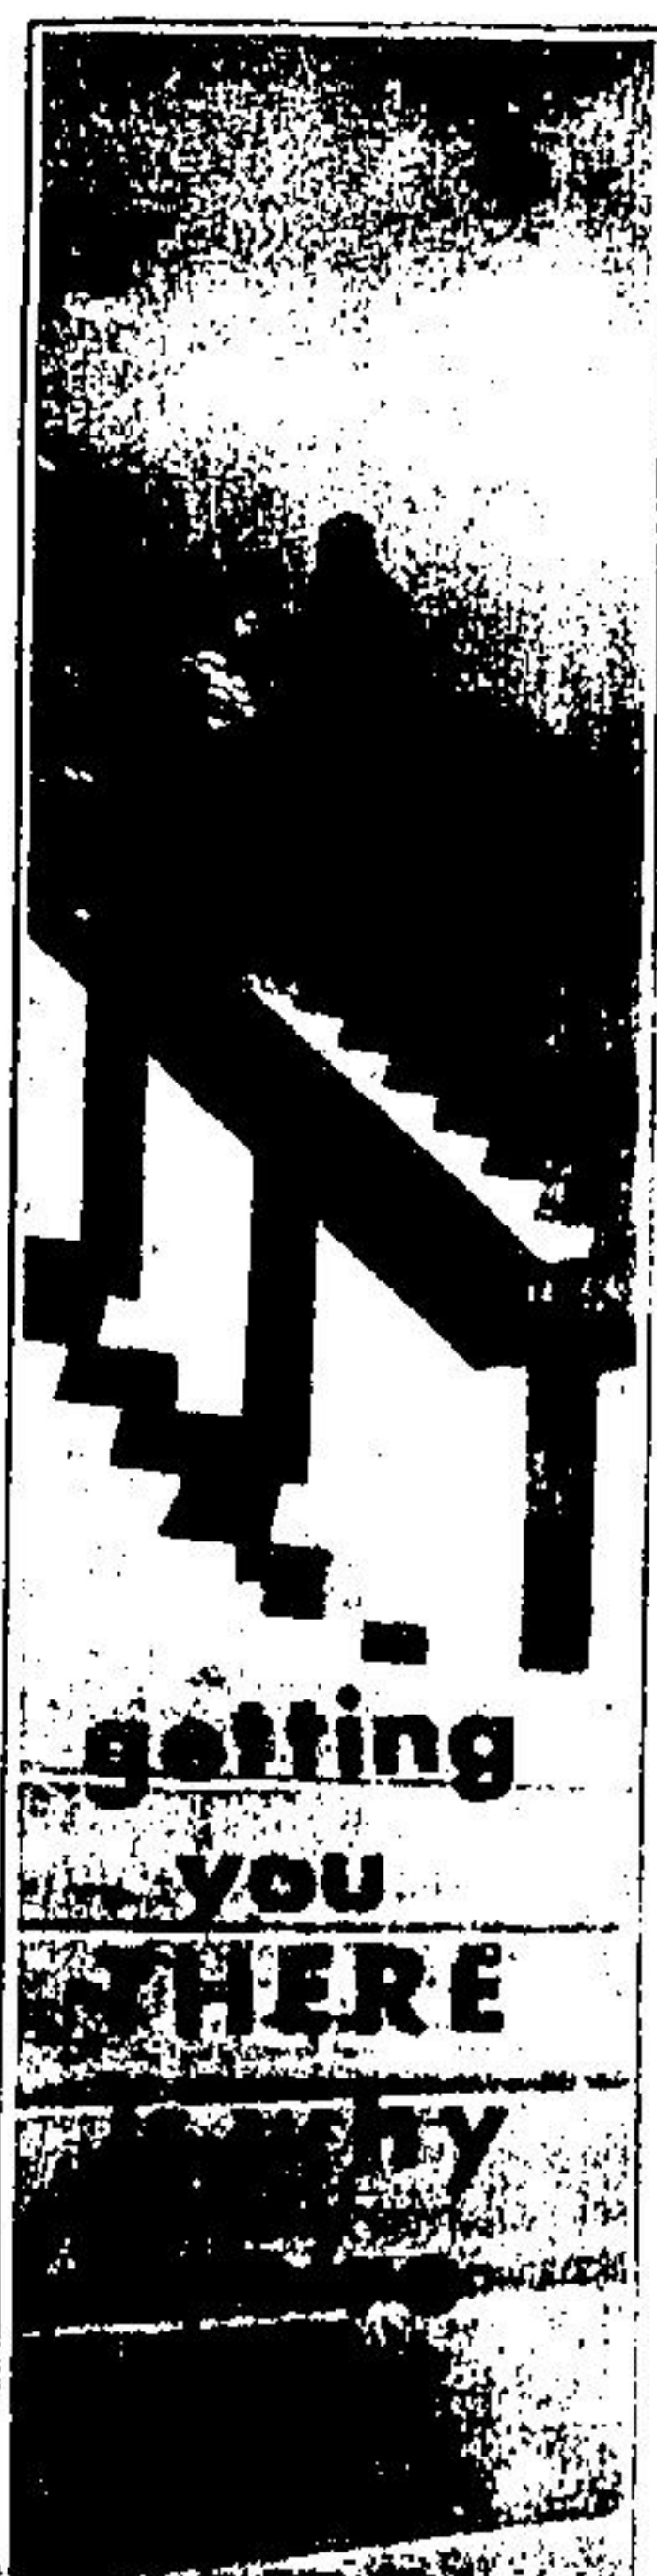

Sudbury's Convention & Visitors Services complex.

Sudbury is very much a "people place" where, in just a few minutes, you can move from the bustling activity of commerce or industry to the solitude of unspoiled lakes and woods. Numerous lakes wholly within the regional municipality provide almost 100,000 acres of water for swimming, boating, fishing, skating, hockey, water skiing, ice fishing and snowmobiling. Trout, pickerel, pike and bass abound in the 30-odd lakes which are readily accessible to the traveller.

Sudbury has something for everyone's enjoyment, including entertainment, fine restaurants, hotels, motels and shopping malls—all geared to suit your taste and your pocketbook.

A stay in Sudbury would not be complete without a visit to the Big Nickel Park, where a giant 30-foot Canadian nickel rules the landscape.

These are only a few of the reasons why a vacationer or visitor should make Sudbury, the centre of the North, a place to enjoy! You are truly welcome to Sudbury.
