STAN'S VILLA, THE BARN BAR-B-Q AND STAN'S PIZZA—three fantastic locations to serve you and to cater to your every whim. If you desire warm, intimate dining with fine food such as steak and lobster, garnished by crisp salad from the salad bar, go to Stan's Villa, corner of Donald and Syndicate, or if you have a yen for chicken 'n' ribs (a specialty) drop in to The Barn, 201 South Syndicate, for a satisfying meal. Perhaps you are craving some really good pizza—well, then the only place to go is Stan's Pizzeria and Spaghetti House, 80 North Cumberland. See? Stan can take care of any mood and any taste right in Thunder Bay!

RICO'S RESTAURANT & TAVERN

When visiting or vacationing in beautiful Sault Ste. Marie, you owe yourself a treat — at least one dinner at RICO'S RESTAURANT AND TAVERN, where they specialize in gourmet foods. Many people, after a delicious dinner at Rico's, have commented, "They serve the finest food in town", and it certainly seems that the staff does carry on that tradition. Both Italian and English dishes are specialties of the house, and they cater to conventions, club functions, weddings, parties and stag...and everything is done just the way you want it...along with that delicious food! So don't forget, for just an enjoyable evening out, or for those "big" occasions, call 253-9663 or 253-4443 for information and reservations.

DODGE'S MOTOR INN

While travelling around the Espanola area, don't worry about a good place to stay or to dine. DODGE'S MOTOR INN is the answer on both counts. They offer twenty-five luxury-appointed rooms, with color TV and every comfort imaginable. They also provide excellent food in their dining room, where the motto is: 100% Good Eating 100% of the Time" — and they live up to this motto in both Julie's Dining Room and their luncheon buffets. The friendly folk at Dodge's also cater to special occasions, conventions and conferences...so you are in good hands if you make Dodge's Motor Inn your holiday headquarters in Espanola this summer. Just call 869-3460 and you will be delighted with the results! Tell them we sent you.
