ACCOMMODATIONS NOT A PROBLEM

When a vacationer begins planning his holiday, one of the main considerations is whether appropriate accommodations are available in the area he desires to visit.

Well, if a trip to Northern Ontario is in the offing, rest easy—the North offers every possible type of accommodation, from luxury hotels to rugged camping sites.

There are hundreds of comfortable lodges, resorts and campsites in the northern part of the province, and also numerous cottages for rent. Most are but a stone's throw from every type of shopping facility, so that a visitor may enjoy the beautiful scenery along with all the comforts of home. Motels, hotels, resorts, fishing lodges, marinas, cottages, trailer parks, tenting parks, Provincial parks, no matter what taste, and no matter what size the pocket-book, Northern Ontario has accommodations for everyone.

So pack up and head NORTH this year for a vacation you won't forget, and perhaps you will find the perfect spot listed on these pages for your convenience.
