This amendment applies to approximately 29 hectares (72 acres) of land in the for-32 ft., fully equipped. sultants, Cobourg Office). Each tender must be ac-

> i) part of the Southwest Half of Lot 5 of Concession 3, and ii) bounded on the West by the Highway No. 25, on the North by the Campbellville Road (No. 5 Side Road), on the East by the Westerly limit of the proposed Nanticoke-Pickering Hydro Corridor, and on the South by a line that is parallel to the South limit of Lot 4 in concession 3 and situated approximately 115 metres (377 feet) North of that lot line.

Basis for The Amendment Amendment No. 7 to the Official Plan of the Milton Planning Area, changed the designation of 582 hectares (1,388 acros) of land situated to the South, Southwest and Southeast of the subject lands, from "Rural" to "Industrial". That amendment sets out the besis for the land use designation change in terms of the economic and emplayment benefits to the Town of Milton, locational and other factors of relevance.

It is now deemed appropriate to extend the area designated "Industrial" by Officia Plan Amendment No. 7 so as to include the subject lands (see Map above) for the following reasons:

I) they possess the same focational and other characteristics as the lands previously designated "Industrial", ii) they are immediately adjacent to lands for which the existing use is industrial,

iii) they constitute a logical extension of an emerging industrial corridor extending bedroom house in Rock- ment, along Highway No. 25 North of Highway No. 401.
