Bridgett Flemming (Gldgle) of Guelph smacks a good shot during the Juvenile regionals championships held this weekend in Rockwood Ball Park.

Rockwood Ball Park was the scene of loud cheers and hoots this weekend as spectators and contestants encouraged ten softball teams to championship in the PWSA Juvenile regional tournament.

Rockwood's young men were drawn to the games by the spectacle of nearly a hundred girls from 16 to 19 smacking a ball with bionic strength.

Of the ten competing teams, Stratford, Guelph and Barrie will go to the Ontario finals in Barrie in two weeks after winning the gold, silver, and bronze medals respectively.

Rockwood Juveniles unfortunately didn't get past Saturday morning, being trounced by Guelph 9 to 0.

Local organizers of the event were Frank and Molly Alsop and Dot Polo. Frank manned the p.a. as announcer all weekend.

Rockwood Ball Park was selected for the event because of its picturesque efficiency and general pleasant atmosphere, according to PWSA officials. Eden Mills ball park was also used for some games. Participants camped on the grounds, in the Conservation park or stayed in nearby Guelph.

Longtime resident of the Rockwood area, George Mack, celebrated his 90th birthday recently and was honored by a family party at son Don's home on the 7th Line of Eramosa, with daughter-in-law Ethel and grandson Brian.

Now living in Guelph, George made his home on the 7th Line of Eramosa north of Highway 24 with his late wife, Jenny, for 52 years.

Sons Jim and Lloyd were unable to attend but the rest of the family were present, including Ann and Fred Mack of Guelph.

Congratulations poured in from all quarters. Guelph Mayor Norm Jarry sent a Guelph Memorial plate presented by his wife. An Ontario Government plaque and letters of congratulations came from Harry Warton, MPP, Dr. Jim Schroder, MP, and the Governor General of Canada, and Eramosa Township.

George's niece, Mrs. Allan Bradley, made him a commemorative ceramic cup and Herb Saunders of Saunders Bakery in Rockwood made the cake.

Others present at the party were George's sister, Mrs. John Lambert of Acton, her daughter Linda and her daughter Cheryl. Also there was sister-in-law Mrs. Frank Mack and nephews Ross and Allan from Hillsburgh.

Rockwood minor soccer players are heading into playoffs within the next two weeks after playing well. According to reports Eramosa won the Peewee-Bantam league, Atoms won their loop, Squirts topped theirs and Acton Rovers won the mosquito league.

ing has been named to the Ontario government's joint Agricultural Energy Policy Committee.

According to Professor Southwell, this committee will deal with several aspects of the impact on agriculture of energy supplies and policies.

An eight man team, expected to report in six months time, will study the supply and demand for energy, consequences of anticipated developments on the production of food products and the requirements for such items as feed and fertilizer. It will also consider the potential impact on agricultural of energy conservation, fuel substitution and alternate energy sources.

Rockmosa Tennis Club is finding it's new lighting a big success. Evenings the courts are very busy but there's still plenty of playing room during the daytime.

Junior tennis lessons given Monday afternoons by Audrey Hudson are well-attended.

Sunday round-robins need players according to a club spokesman, so get out there and play.

End-of-season tournament sheets are up at the courts for the signing of those who wish to compete. Get your name down for a variety of events.

Crest poses questions

Eramosa's local Architectural Conservancy Advisory Committee will be asked for opinions concerning the township's new crest.

The crest was selected in a contest this summer and township officials are searching for applications. One of the councillors suggested using it on a flag or have it incorporated into the municipality's letterhead.

Staff sees inn's plan

The original plans for Teddy's Everton Inn, on Highway 24, are to be checked by Eramosa Township staff to determine if there is any non-approved use.

The direction to the original plans came after township building inspector John Salmon reported to council that no further applications for permits crossed his desk though the provincial Liquor Licensing Board indicates there was an alteration within the building.

Eramosa looks for new bank

Might Eramosa do its banking outside the township?

That question was sparked by township deputy reeve Dave Mason because of the interest rates charged by the Royal Bank branch in Rockwood. According to township clerk the township's banker is charging 13 1/4 per cent.

"We should ask for a reduced rate," said Mason. He went on to say that taking distance into account it might pay the township to bank in Acton or Guelph.

Ospringle

New church shingles

by Doris Fines

Congratulations are extended to Douglas Nuttall, son of Mr. and Mrs. Wallace Nuttall, whose marriage to Barbara Turkoz, daughter of Mr. and Mrs. John Turkoz of Acton, took place on Saturday, July 19, at St. Alban's Anglican Church in Acton. The happy couple left for a honeymoon trip to Florida.

Mrs. Dave Stewart attended the funeral last Saturday of her niece Mrs. Lois Kilborn of Kitchener (nee Lois Simpson). Interment was at McKee's cemetery, Belwood.

What is the point of being scrubbed until you shine, and all decked out in new finery, without a

nifty hair-do to top it off. Knox Presbyterian Church, in spite of all its elegant new apparel, was still in need of new shingles. This last ritual

was accomplished last week by Charles Pringle and his daughter, thus completing the overall dressing up of the building.
