

Roadrunners aid team one to allstar victory

(Continued from B1) Don Martin, on relief for Team One, gave his team another three up three down inning and a 6-0 lead after four complete innings.

A Bill Kirby homer with Doug Anderson on base extended the Team One lead to 8-0 before the Team Two (C and S, R/S, and Merchants) bats came to life. Moe Leeking crossed the plate for Team Two in the fifth as his team put three hits together.

Chuck Peavoy came on to pitch for Team Two holding the Team One all-stars at bay until the ninth inning when they added two more runs on doubles by Randy Coulson and Doug Anderson and a Gord Stanbridge single.

Team Two added single runs in the seventh and ninth innings bringing their total to three Paul Sargent reached base on an error and scored while Moe

Leeking crossed the plate for the second time after walking. Both runs came off Team One's third pitcher, Randy Coulson. A silver collection at the game added to the total donation that the North Halton Association for the Mentally Retarded received from the game with Dave Osborne picking up \$120 from the fans. In addition, several individuals made cash donations and each of the

teams involved in the event met the challenge and donated to the cause.

The best of the all-star game will now meet a representative from the Milton Fastball League in an All-star confrontation in Milton on August 10. That team will be handled by Acton Roadrunner coaches Ed Hillier and Bill Routledge. The team will wear special sweaters donated by Dave Osborne

with Georgetown All-Stars Imprinted on the front. The proceeds from that contest will also go to the North Halton Association

for the Mentally Retarded.

Georgetown Industrial Fastball League All-stars Joey Deforest (left) and Moe Leeking (right) accepted tote bags from Molson's and their representative Gord Nimeroski as the game's Most Valuable Players in Sunday afternoon's battle.
