Eaton's Travel

See part of the
**McMichael
Canadian
Collection**
at Eaton's Sherway.

The McMichael collection is Canada's history in art and we're pleased to be able to present selected items including Eskimo prints, Indian paintings and works by Ontario artists. See them in the Garden Terrace restaurant, Eaton's Sherway.

See *Canadian children's*
art at Eaton's Sherway.

It was very nice to get such talented help in decorating the store. 400 hand-coloured maple leaves are on display. The handwork of children from Vincent Massey, Parkview and Twentieth Street schools. Our thanks to them all.

At Eaton's Oshawa...
a collection of
antique dolls.

We'd like to thank Dorothy Churchill for the loan of her antique pin-cushion dolls — beautifully worked miniatures that are charming works of art. You'll also see a group of Eaton's Beauty dolls made between 1904 and 1977 on loan from our own Eaton archives.

Our
**FOODLAND
ONTARIO**

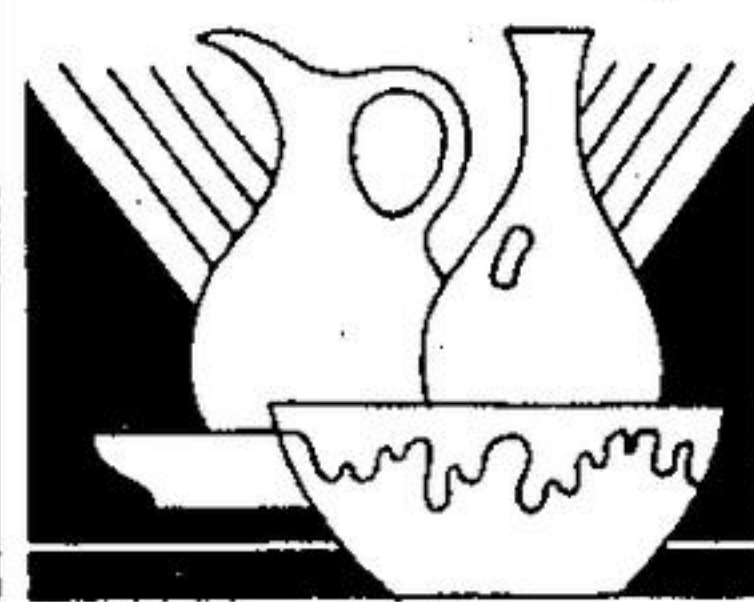

feature this week is a Kangaroo sandwich.

Don't let the Australian name fool you. This is a Canadian food at its best. A wholewheat pita filled with delicious egg salad. Available at the Foodland Ontario kiosk in the Toronto Eaton Centre.

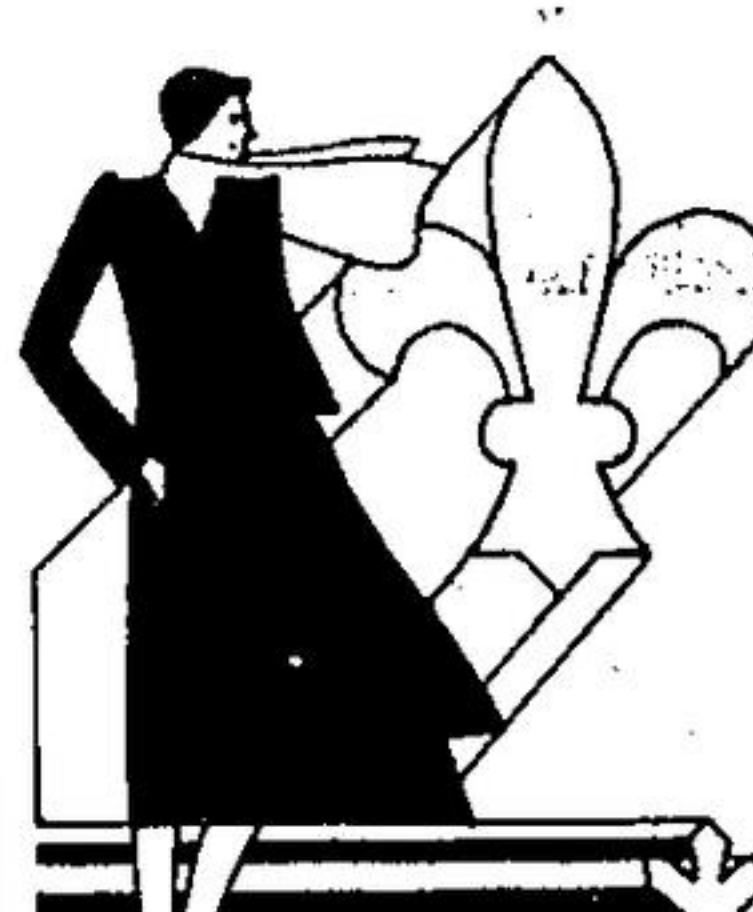

At Eaton's Scarborough...
a collection of
crafts
by senior citizens.

This is the third year we've had the privilege and pleasure of hosting this display. Thirteen seniors' homes in the Scarborough area have sent their best in ceramics, weaving, macrame and more. Come see.

See a special **Blue
Mountain pottery**
display
at Eaton's Scarborough.

We'll have a Blue Mountain Potter working at the wheel, explaining the production steps from raw clay to finished product. In the China Dept., Eaton's Scarborough through Saturday.

Still to come: Our
'Quebec Showcase'
fashion show for fall.

It's going to be a multi-media glimpse of Quebec in all its beauty plus a first look at exciting new Quebec fashions for Fall — pretty beautiful, too! Our Quebec Showcase fashion show will start touring our major stores on August 27th. Watch your papers for stores, dates and times.
