Ospringe

Energy Owls making crepes

The "Ospringe Energy Owls" is the name chosen by the 4-H Girls in their present cooking project. The fourth meeting was at the home of Linda Earle, and the girls made crepes, which resemble thin pancakes. They talked of the different shapes and fillings used, such as creamed chicken, or using it as a dessert with fruit. They used ice-cream with a cherry sauce, which was delicious. The girls were reminded of the sign "Inner guide", on appliances, like refrigerators and freezers, and to watch for it when purchasing appliances in the future. The Ospringe 4-H Homemaking girls had an exhibit at Erin Fair, on macrame. Congratulations to John Fuller, son of Mr. and Mrs. Stan Fuller of R.R. 3 Acton, and Susan

Wedgewood, daughter of Mr. and Mrs. Lyle Wedgewood, of Malton, who were married recently in Malton. One hundred and fifty guests attended the wedding, the reception and dance following at the Legion Hall. The young couple are residing on the first line of Erin. Mrs. Thomas Fines, Doris Fines and Mrs. Norma Armstrong, spent a few days at a cottage near Bracebridge, with Mr. and Mrs. Bert James. Mr. and Mrs. Gordon Aitken accompanied by Gordon's brother and sister-in-law Mr. and Mrs. Harold Aitken of Toronto, enjoyed a motor trip to Sault Ste. Marie, where they took the train ride up the Agawa Canyon. The autumn colors were at their peak for a splendid display. Mr. and Mrs. George

Puhl of Richmond, B.C. visited last week with their cousins Mr. and Mrs. Stan Fuller. Sympathy of the community is extended to Mr. and Mrs. Malcolm Leith and family in the sudden tragic death of their daughter Muriel. Sympathy also goes to Mrs. Thomas Fines, who lost a brother-in-law Hugh MacMillan of Guelph, and a son-in-law William Henderson of Belwood, in the past week. Cabbage rolls were made by the 4-H girls at their third meeting, at the home of Karen Jackson. They ate them later for lunch. The leaders tried to assure the girls that pressure cookers are safe, but to just be careful, and read the manual first. It is great for cooking cheaper cuts of meat, and vegetables retain

their colour and tastiness. Also the slow cooker was discussed for the working mother. Again, the girls were reminded of energy saving and the cost. Expedition Three was held in the church with one leader and six Explorers present. Karen Jackson led the opening ceremonies, and also read a family Thanksgiving story. They did a Thanksgiving quiz, and created a picture using different seeds, but a mouse ate the seed picture, so at Expedition four they created another seed scene. Holly Ferguson, eleven-month-old daughter of Connie and Mike Ferguson of Orton, and granddaughter of Sadie and Jack Ferguson, was the lucky winner of the Lions Club \$500. draw at Erin Fair. Congratulations Holly.

Town won't appeal Norton severance

The town isn't going to send staff to an OMB hearing or appeal a 28 acre land severance for Harry Norton, Lot 20, Concession 2. Monday Halton Hills council rejected a call by the town planning department that staff be

sent to the hearing and the town support the region's appeal. The land isn't good for agriculture, the province hasn't opposed the severance and it is "unfair" of the region to force a hearing Councilor Russ Miller said.
