Shirley Ancker received a number of awards, including the James B. Ledger Proficiency Award. The award was presented by Don McDonald.

Peter Papillon presents the Acton Lions Club Scholarship to Chi Ip Chan and Frank Geng.

Golden Age Club

Seniors' Christmas dinner November 20

A good attendance was present for the November afternoon meeting of Acton Golden Age Club at St. Alban's Hall. Jean McLean presided at the piano for the singing of O Canada and the Theme Song.

Lillian Berry and Jean Precious volunteered to be conveners of the guilty draw, to be held in May 1981. Thirteen tables of euchre plus crokinole and cribbage were played with the euchre winners being Lillian Berry and Irene Davidson, Edna Besley and Mary Britton. A delicious lunch was served by the committee and a social half hour was enjoyed.

The members were informed that the tickets for the Christmas Party dinner will be available at the next meeting and a new slate of officers will be installed.

77 deer bagged in Halton hunt

Anne Berry was busy working on the Legion dinner list for Thursday, November 20. Anyone that has not been contacted, please call 853-1561. Cheque books were being used for the final bus trips of 1980.

Preliminary returns from the Halton three-day deer hunt show that 77 deer were bagged, but that figure may be higher when the final tally is published about two weeks from now.

Ontario Ministry of Natural Resources spokesperson Robin Mulholland said the 77 deer were those recorded at Ministry checkpoints in the four designated hunting areas in Halton and surrounding regions. There were only 350 hunting licences granted for north and south Halton, not the 1,000 earlier quoted as the number of licences which would be allowed for Halton.

An update report on the International Senior Citizens' Association Congress to be held in Toronto May 1981, was read by the secretary.

There were only a total of 835 licences granted and this covered Halton, Puslinch and all of Flamborough. There were 200 licences for north Halton and 169 for south Halton.
