Eternity Rings From \$225.00 Additional Diamonds From \$45.00

The gift of an eternity ring — a beautiful moment in any marriage. A re-dedication of love on a birthday or anniversary. And the eternity ring gives you the chance to relive the moment for years to come — as diamonds are added to commemorate special occasions. At Morse, we take great pride in our eternity rings. We have eternity rings priced from as low as \$225. And we have beautiful diamonds you can add to the ring, over the years to come. Additional diamonds are priced

at \$45 for 1/2 points and \$80 for 2 1/2 points and that includes the setting. You can trust the jewellers at Morse to set the diamond perfectly, because we understand the importance of the eternity ring. It's a very special gift — a gift that lets you renew the bonds of love through the years you spend together. For eternity rings — and for additional diamonds, see Morse Jewellers.
