6 Important Reasons Why You Should Build A Beaver Home

Experience— Something Beaver has earned over more than 60 years of serving Canadians. During this time our business has grown to include over 250 stores across the country. And each year we improve a little more, thanks to our...

People— The real foundation of our business is people. Some are young and learning; many are experienced professionals. All are dedicated to providing our customers with satisfaction through better...

Service— Build a Beaver home and you'll be convinced of that because from start to finish our many services continue to work for you. Talk to your local Beaver representative. He's ready to assist you with all your new home planning, even financing if required. Then, of course, you'll be interested in our...

Quality— Only the best, brand-name products will be used in your new Beaver home. This, plus volume purchasing, modern factory production and precision manufacturing combine to assure you of a better quality home at less cost than by any other building method. Quality ... an important reason in Beaver's growing reputation for...

Reliability— You see, we know that satisfied customers always come back. And we do want you to come back. That's why you can rely on us for everything you need to make it on your own, including...

Selection— These 4 pages illustrate a wide range of home and cottages, many with alternate elevations and floor plans. And finally, to help you finish your home, your Beaver store now carries a more extensive selection of decorator products than ever before.
