Penciling in good triples were Edna Melzac 637, Grace Robertson and Belle Killchen 608, Linda

## Lions caged 2-1

It took an overtime goal to do it, but Lions Club major peeeweas have been eliminated from further competition in OMHA playoffs after Fergus nipped them 2-1 Wednesday.

It was do or die for both teams, and things looked good when at 8:45 of the first period Steve Martin netted a goal to put Lions in front. David Jansen assisted.

Lions consorted themselves with a 7-3 victory over Kitchener Saturday. They came back from a two-goal deficit in the opening minutes to tie the game by the midway point of the second. Martin and Kevin Lobsinger were the marksmen.

Gary MacEachern put Acton in front; Kitchener came back to tie it, but the locals scored four more unanswerable goals. Martin, Lobsinger with a pair and Randy McIntyre scored.

**CO-OP**

**MIKE NEVINS - MILTON**

**We work for the CO-OP but our job is looking after your**

**"home heat and farm power"**

**PAULEASON - GEORGETOWN**

**FREE** You'll get 200 litres of Furnace Fuel Oil FREE if we let your tank run out.

CO-OP is so confident with our Automatic delivery system, that we guarantee to keep you warm this winter. If we let your tank run out, the next 200 litres are on us. CO-OP Petroleum Drivers have earned a solid reputation for dependability. They're backed by a degree/day weather system to tell them when your tank needs refilling. We'll deliver quality Fuel Oil all winter long and we guarantee it!

Let CO-OP deliver your Fuel Oil and let us worry about keeping you warm.

**CONDITIONS OF GUARANTEE**

- Furnace Fuel Oil must be on Automatic delivery system.
- Your tank capacity must be 200 gallons or larger.
- Your home must be your prime residence with year-round occupancy.
- Furnace Fuel Oil must be the only source of heating energy used.
- Your credit must be within approved limits.
- You will advise CO-OP immediately of any factor that could change your heating requirements such as extra insulation, house alterations, thermostat settings, combination furnace, or any use of other heating energy sources.

This offer will not apply if our failure to deliver results from interruption of supply, impassable road conditions, or any other factor beyond our control.

This offer is for the heating season—September 1st to June 1st.

**Use CO-OP Furnace Fuel and You'll Have CO-OP's Dependable Home Heat Service Technician to Fix Your Problem.**

**CO-OP FURNACE FUEL OIL DELIVERY GUARANTEE**

By keeping your tanks painted to reflect the sun's rays and installing a fuel-saver fill cap, you'll cut down on costly evaporation losses.

If you're confused about which type or grade to use with any engine, I'll check the specs and recommend the CO-OP products that will protect your warranty. Just give me a call. I work for the CO-OP, but my job is looking after your farm power.

For your records, CO-OP print-out meters give you the exact printed, reading on delivery.
