Rotary on road to title

Rotary Club minor bantams suffered their first loss of the Hub league round robin play-offs last week against Kitchener but they still have a crack at the division title.

Rotary Club has three wins, a loss and a tie in the round robin series, with only one game against New Hamburg left to play.

However they may have enough points to put them in the championship round, against Kitchener and due to start April 5 in Waterloo.

Although Kitchener handed them a 4-0 loss Acton came back with a 3-1 victory in the second game.

Tony Van Dam scored a pair of goals in the victory last Tuesday, at the Community Centre. His first came at 7:18 of the second game,

assisted by goalie David VanderEyken and Grant Smith.

Greg James scored the second Acton marker at 11:30 in the middle frame. Kitchener replied at 7:20 of the third, but Van Dam clinched it with 2:28 left in the game.

Kitchener scored at the 47 second mark and 9:31 of the second period and at 1:41 and 9:32 of the third in the 4-0 shutout earlier in the week.

In Hub league round robin play-off, each team plays a home and home series with each other. There are three other teams in Rotary Club's division—Galt, Kitchener and New Hamburg.

Tourney awaits . . .

Continued from B1 with the Firefighters playing one of the first games, Saturday, at 8:45 a.m. against Oshawa C. They play again at 4:15 that afternoon, with the winner of the two-game total goals series advancing to the second round of the 'C' division against either Unionville or Collingwood.

Games of the week-long tournament will be played in Memorial Arena, including Acton's pair. But the championship matches will be contested in the Gordon Alcott arena.

If Firefighters are still embroiled in playoffs however, they must fore-

go the tournament. League rules state no team can enter a tournament while competing in playoffs.

For the past few months members of the Georgetown Lions Club have been busy preparing for the 21st Annual Georgetown International

Bantam Tournament on March 21 to 28.

To date 42 teams have been accepted in the event with opening still available for two clubs. This time out there will be three Detroit teams vying for the tournament title along with three Georgetown entries.

Moms on easy street

Acton minor atom Moms had little difficulty in their home and home series with New Hamburg recently. They took both games as part of their Hub league round robin play-off action 3-1 Feb. 28 and 4-0 Feb. 28.

second frame. Ian Johnston quickly made it 2-0 at 1:16, followed by Acton's third marker, from Sean Sears at 1:59.

New Hamburg spoiled Acton's shut-out bid later in the frame at 7:18.

Tim Tibbitts and Mike Williams earned assists in the match.

Back at the Community Centre, Rene

Vankesteren potted a pair of goals as Moms shutout New Hamburg 4-0. He scored at 2:53 and 6:21 of the first frame. Williams netted the next goal at 9:17 of the second period and Sears finished off the game with his goal at the six minute mark of the third.

He also pocketed a pair of assists along with Williams.

THE MAZDA B2000 GIVES YOU MORE MILES PER GALLON AND MORE TRUCK FOR YOUR DOLLAR.

Mazda B2000
The tough little truck

The Mazda B2000 Pickup with its 2-litre, 4 cylinder in-line OHC engine is built to tackle big jobs. Yet it helps to stretch gas like an economy car. Husky suspension, wide track, and power-assisted front disc brakes add to solid handling. The Standard Model with its 1895 mm (6 ft. 3 in.) bed is as affordable as many economy cars. The Deluxe Model with a longer 2190 mm (7 ft. 2 in.) bed and deluxe interior, costs little more.

Compare both models, plain or fancy, with other little pickups. Just one look will tell you it's one great buy. Mazda High Value Engineering makes the difference.
