Bantam tourney

Action in the 21st Annual Georgetown International Bantam Tournament gets underway this Saturday morning at the Georgetown Memorial Arena with over 40 teams vying for top honors, the prestigious grand championship title.
Last year Beamsville became the first 'D' team in the tourney's history to emerge as overall winners.
Georgetown has three entries in the competition this time out with the Majors competing in 'B' division, the Minors in 'C' and the House League Selects in 'D' division.

Bob Ballentine with his award winning 1969 corvette. His car won several awards at Motion '81, the largest indoor car show this year.

Car enthusiast wins three awards at show

A local car enthusiast has picked up several more awards at a car show held in Toronto recently.
Bob Ballentine's 1969 Corvette earned him three trophies at Motion '81, the largest indoor car show in Canada this year. Organized by the Tachmen Car Club of Georgetown, it was held March 6, 7 and 8 at the International Centre in Milton.
Ballentine picked up trophies for best Corvette, top 10 custom street machine and as a first time entrant.
Ballentine added some features to his custom car since the last show in Ingersoll in July where he won best paint and best 'vette.

Since then Ballentine says he changed the mags, redid some of the interior work, undercoated the car and elevated the blower.
Roots Auto Body in Rockwood did the paint job, which remained the same, and Ballentine did most of the other work

himself, including the customized interior and body modifications to the rear.
Ballentine awards won his 'vette at various car shows over the years.
