### Trinity UCW Hear speaker on Nigeria

by Elsie Reed  
The regular meeting of Trinity UCW was held in the Church Parlor on Tuesday, March 10. Sickness among the members reduced the attendance. Mrs. Jo Force presided and the Old Creed read in unison began the Devotionals. Scripture Readings were given by Annie Lambert, Dorothy, Simons and Elsie Reed, stressing the monthly theme on missionary work, further emphasized by the singing of appropriate hymns. Dorothy Allen introduced Gwendolyn Johnson, who with her husband Jim, had spent two years in northern Nigeria. Part of the time there Gwen had

Gardener Colin Dickinson revealed some tips for people to keep their lawns fresh and green during a session at Acton Public Library last week.

Our Branch will be visited by Comrade E. G. Traversy, Royal Canadian Legion Service Bureau Officer, on Monday, April 6 at 10 a.m. Anyone wishing information, advice or assistance regarding War Disability Pensions, treatment for entitled veterans, application for Benevolent Funds or appeals against adverse original applications for War Veterans and Widows' Allowance should just contact Branch 197 Service Officer Vic Patrick at 853-0006. It should be noted that proportionate compensation is available to widows, widowers and dependent children of former prisoners of war. There were several amendments to the Act effective October 1, 1980, so you may wish to contact Comrade Vic for an update on your situation.  
In district darts there were two teams that went to Hamilton last Saturday, but unfortunately we were unable to overcome the opposition. Later in the day when the dart machinery tensions were more lubricated two of our members scored 180, Mac Mackenzie was one and I'm too shy to mention the other.  
It looks as if we have only one team for the zone euchre tournament at Branch 136, Milton, this Saturday.  
The Ladies' Auxiliary Bowling team reached the regional finals and go on to the provincials on May 23. The Branch should be proud of our bowlers: Lucy Synnot, Kathy Jensen, Norma Titus, Agnes McGinnis, Rene Sheppard and Cheryl Phillips.  
The Ladies' Auxiliary is expanding the invitational mixed bowling tournament on April 18. It promises to be a good day and details are on the board or contact Kathy Jensen, 853-1281 or Mrs. Pat McDowell, 853-0451.  
While members of the dart fraternity rarely broach the topic of "chauvinism", you should be aware that zone sports officer Jim Hughes was present in the Branch when Comrade Sally Smith scored 180. Sally now has her pin and badge and continues to coach her husband Ed.  
By the look of the auditorium floor Comrade Bob Angell and his crew were hard at it on the weekend. The floors in the lounge and TV room are finished so all systems are underway at the Branch for our Golden Anniversary banquet this Saturday night. There will be guests on hand from far away and once again we can be proud to show them our Branch.

**Learn of life in high Arctic**  
Mr. A. Anderson took the Golden Age Club north, near the Arctic Circle, via slides and movies at their March evening meeting at St. Alban's Hall.  
At the time our speaker spent five years on the Dewline, picture taking was at a premium owing to security reasons, so he brought several recent shots too. He also displayed a beautiful Eskimo Seal parka plus several small items.  
The men who man the Dewline were well looked after, kitchens are stainless steel and when we saw the Christmas dinner the chef had prepared, with duck being the delicacy, we knew they were well fed. Eskimos do not like ice cream. At their station, with the push of a button, they can talk anywhere in the world.  
While there is only about seven inches of snow, it can be 56 degrees below zero. Skidoos are the preferred snowmobiles and many Eskimos have more than one. Our family of twenty-eight (not all home) singled out to be photographed, were extremely clean and well cared for. Gladys Davidson and Irene Davidson each sang an Irish solo and a quartette of Irene Terry, Isabel McDonald, Alice Pilkington and Gladys Davidson sang several Irish songs.  
Three new members were welcomed to the club.  
We were happy that the members who had been on a bus trip to the Shaw Festival arrived home just in time for the meeting.

**Flower arranging demonstrated**  
by Trina Noel  
Although spring is just around the corner, the weather is still quite cold for the handicapped to go out.  
Our last meeting of February 24 was quite interesting with guests Mrs. Grace Robertson and her daughter Helen Medland. They showed us some flower arrangements which we all enjoyed. A table centerpiece made by Mrs. Robertson was won by Bud Tost and a cushion was raffled off and won by Helen Medland.  
Our next meeting will be held on March 31 at M.Z. Bennett school. We have invited the Happy Handicapped group from Guelph and the musical group Country D.

It was suggested that we all bring a friend or some other disable person to this special evening. A reminder to everyone who shops at Dominion and Zehr stores, to save the cash register tapes for our group.
