Blood Donor Mileage

Halton Hills general committee raised mileage rates for town staff Monday, but several councillors didn't really support the proposal and indicated they'll have more to say about the issue at council next

The proposal from clerk-administrator Ken Richardson called for mileage rates to be bumped up to 28 cents a mile for the first 5,000 miles and 25 cents a mile thereafter. Also depart-ment heads will receive a flat rate of \$100 a month unless they travel more than 4,300 miles a year and then they'll receive 25 cents a mile.

Richardson said the hikes were being sug-

gested now because gas

has gone up in cost over 6.5 cents a litre since the last increase in February of 1960. The clerk-administrator also suggested in the future mileage rates be adjusted each September after car operation costs are released by the Canadian Automobile

benefit from the town, he
