SAVE TIME & MONEY

**HAC's famous
Emergency Road Service
brings help fast -
24 hours a day.**

What will you, or a member of your family do, if you have car trouble tonight. It can happen to anyone at anytime. You can have a flat tire. Or your battery will die. Or you'll run out of gas. Or... you name it.

If you're on your own, you'll try to find a service station that's open. That's not easy with the trend to self-serve gas bars. You'll plead for help. You'll wait and wait. And you'll pay an arm and a leg. A \$30.00 to \$50.00 service charge is not at all unusual.

But you're never alone if you're an HAC member. Just dial the Hot Line number on your membership card. We'll send a radio-dispatched HAC service vehicle, and we can help have your car repaired at one of HAC's inspected and approved repair outlets.

One service call could easily pay for your HAC membership. And from then on, you're saving money.

**An average of 7 out of 10
members required vehicle
assistance.**

Last year, we provided emergency service for 95,679 vehicles - or an average of 72.4% of our members were assisted when stranded with car problems.
