ONE STOP SHOPPING FOR ALL YOUR GARDENING NEEDS

**BE GOOD TO YOURSELF**

**GET A CASE**

Give yourself a break. Try out a Case garden tractor with exclusive hydraulic drive. One lever controls direction and speed. Once you try it, you'll be hooked. Another lever lets you raise or lower attachments hydraulically. Exclusive Case hydraulic drive has no troublesome belts, pulleys, shafts or chains in the drive-train. With Case's Snap-Fast attachment system you can quickly switch from mowing to grading or snow-blowing. Take a demonstration drive on a tough Case... or call for a free copy of "Outstanding Yards & Gardens Planning Guide."
