is the old truck looking a little tired after the winter? Well here's a chance to replace it. This 1979 GMC pickup is just like brand new. With eight cylinder engine, 3 speed manual transmission & rear step bumper it's ideal for those odd hauling jobs or for working around the farm. Good used trucks are hard to find, don't miss this one.

Constable Scott Pringle has been appointed the new Halton Regional Police crime prevention officer for Acton, Georgetown and Milton, replacing Constable Jeanette Sykes.

Whiting wants report on Cher's

Acton's Regional councillor Dave Whiting has called for a thorough, written report from staff detailing all of their dealings with Cher Rest Home, Main St., Acton.

Cher Rest Home operator Travina Cherwoniak has appeared before the region's health and social services committee a number of times in her bid to secure a purchase of service agreement from the region. The agreement was sent out Friday and

Rest Home has also been licenced by Halton However, Whiting says, there still seems to be problems between Cher's and region staff and he

Whiting says payment for keeping an eligible pa-

tient for a time will soon be forthcoming. Cher

wants it settled once and for all. Staff has two weeks to come up with a written report tracing all dealings, from day one, with the rest home.

Mrs. Cherwoniak will then be given two weeks

to review the report and make a written submission on anything she doesn't agree with, Whiting said. Then committee will then review the two reports and try to settle the matters "one way or

another." Water-sewer report delay

possibility of Halton member municipalities assuming control of water and sewer services has been delayed past the end of April" deadline.

Halton Chief Administrator Dennis Perlin notes much of the work of the municipal task force is completed but there are delays as the results must go to local councils first and comments be received before it comes back to the region for discussion.

Mr. Perlin said some of

the delays are unavoid-"At least one of the chief officers has requested the opportunity to approach his council before the final report is put in final form to more closely determine the 'political' impact that is to be considered by the final report,

along with the other impacts," Mr. Perlin sald. There is also the ques-
