

Alan Brown and David Paul were presented with medals at the First Acton Boys Brigade open house Friday night at Knox Church, as top boys in their group. Rev. John Robertson presents the medals.

A calculating group: The AHS grade 10 match math team left to right Adam Thomas, Rick Greenley, Tara Dewdney, Lori Mussnug and teacher Liz Farrell. The team competed in the national junior math contest in March, sponsored by University of Waterloo. Results came out last week with Tara earning the highest mark of the AHS team. All four said it was a "tough" test.

Draft agreement for new St. Joseph's School

Halton Hills general committee approved a draft development agreement Monday night for the new St. Joseph's

School to be built on Mill St. West. The agreement, which has already been examined by the lawyer

for Halton Separate School Board, must still be approved by trustees. Councillors were informed in a staff report

Monday that the zoning changes approved by the municipality Board. The agreement states once municipal sanitary

sewer service is available the school must hook into the system. Landscaping, grading, floodlighting, fencing,

drainage, access to and from the site, garbage storage, and snow removal plans must all be approved by municipal officials.

The board must give the town 13 feet of land across the front of the school site for future road widening. A \$500 deposit will be required to cover the cost of cleaning up or repairing roads, curbs and boulevards damaged during construction.

Flowers of Hope campaign on

The annual Flowers of Hope donations campaign in Acton and area is underway this week. About 80 North Halton Association for the Mentally Retarded canvassers started knocking on doors Monday and the drive winds up Saturday

spokespersons Julie Conroy and Jennie Kulken said. The goal of the campaign is to raise \$2,500, up from about \$2,000 last year.

are not being distributed, the ladies said, because it added to campaign and administrative costs and few people were planting them.

North Halton Association for the Mentally Retarded programs and facilities, including Tinker Bell Nursery, Countryside Group Home, ARC Workshop, apartments for four adults, Developmental Centre for Severely

Handicapped Children and Adult Developmental Centre. Also, if people aren't home when the canvasser comes around a card will be left with an envelope so they can make their donation directly to the Bank of Montreal.

In addition the board must pay Halton Hills \$600 to cover engineering, planning, legal, administration and supervisions services by the municipality for the development of the property as a school.

A traffic study will have to be carried out and the board pay for any

Our Reg. 16.80 to 28.75 Pair **8.99 to 14.99 PAIR**

Our readers write

Lack of snow saved \$ for mosquito spraying

Dear Sir:
Welcome to another year, of itching skin rash, sleepless nights, etc.
Children in minor sports will be swatting those little mosquitos instead of kicking the ball and having fun.
What diseases will our biting little bugs spread?
How much out of pocket will we spend on repellants and medication?
How much will we suffer?
Acton High School with such a lovely track, soccer pitch etc., will we be able to enjoy it with the mosquitos taking over?
All these questions will be answered in the next few months.

Over 700 names for a spraying program, much research by Chris Houston and a lot of discussion with councillors for \$7,750 for spraying to be cut from the budget.
OK 700 people and more who wanted to have this done let's get it done.
Maybe nature gave us less snow this year so there would be money left over to balance the mosquito population, and also the budget.
Any suggestions? Please feel free to contact me or your councillor.
Here to an itch free Acton Year.
Pat Robinson,
340 Orville Rd.

Scirocco. For the special few who still consider driving a joy.

The Scirocco can go from 0 to 80 km/h in 7.8 breathtaking seconds.
It has a 1.7 litre overhead cam fuel injected engine. Front wheel drive. Rack and pinion steering. And independent suspension.
It has 2 + 2 styling. Superb fuel economy. And it's waiting for you.
Experience the joy of a Scirocco today.
