

Lonnie Harkins, Rosemary Rd., won the 500 Club's big prize this year—the Hawaii trip. Ted Tyler delivered the tickets to the Harkins' home. The lucky tickets were drawn during the club's end of year party at the arena Saturday night.

Individual winners in the Beardmore league were as follows. In the front row, left to right, is high triple Rose Fountain, Sue Robson, high average and Hennie Van Dam the high single. There's high triple winner Arlie White standing at the rear on the left, with Dee DeForest the high average winner and Lyle Cripps the high single.

Peewees resilient in debut

Acton Restaurant peewee boys bounced back from a losing effort in their season opener to capture their home debut 10-1 over Fergus last Wednesday night at Prospect Park. They lost their first game in Eramosa 6-2 Tuesday night. Kevin Lobsinger went the distance on the mound for the victory, striking out nine Fergus batters. But the real story of the game was Spencer Smith, who with some solid hitting, scored three runs, one of them a homer, and knocked in three more. Other runs were scored by Chris Cooney, Craig Colton, Kevin Lobsinger, Mike Ormsby, Randy McIntyre, Steve Fuller and Paul Porly. Eight of the runs were scored in a blockbuster second inning. Fergus scored their lone run in the sixth. Tuesday, strong Rockwood team was too powerful for the peewees, despite Acton getting the first runs on board. David Russ and Tom Bartolac touched home in the top of the fifth for the Acton runs. But Eramosa came back the score three in the bottom of the fifth, and clinch the victory with another three in the sixth.

Coaching Restaurant is Jim Cooney.

ANNOUNCEMENT

The Georgetown Animal Clinic is pleased to announce that Dr. Barbara Leslie has joined our staff. Dr. Leslie, who is originally from Toronto, is a graduate of the University of Guelph. She is married to Dr. Ken Leslie from Terra Cotta, who is presently teaching at the University. Barbara has worked at the Clinical Research Department at the University and has practiced in Mississauga for two years.

Evenmatch at opener

The season opener at Donald Mann Park in the grasshopper league of Acton Minor Ball pitted Home Hardware to Leathertown Plastics. It turned out to be an even match. By the time curfew had stopped play in the modified t-ball format game, 21 runs had been scored on each side. The new t-ball format makes it possible for all players to bat and play every inning. Home Hardware was led by Brett Newman, who slugged three homers, Trevor Brent, who belted two and Susan Anderson. Leathertown Plastics was led by Kim Corkum, who cracked five hits, with four hits. Coaching Home Hardware is Bob Johnston. Mathew Ginn, Jason

Jug City undefeated

(Continued from B1)
Bovis to take the loss, while three chuckers Ray Russiani, Jules Russiani and Stan Clarke, split the work for Desmond's.

Jug City meanwhile romped to a 9-1 victory over Ridley's Firefighters in the second match Sunday,

behind the pitching of Mike and Bill Manes. Chris Tennant was the only Firefighter to cross the plate. Jug City scorers were Bill Clarke, Bob Doyle, and Bill Manes with two each, and Mike Manes, Rod Beaumont and Dirk Van Arrogen with one each. That leaves Jug City

and Desmond's as the only two unbeaten teams in the league, with three wins each. The tie will be broken however, when the two teams meet Friday night at Prospect Park. Game time is 8:30 p.m. Sunday Milton and Ridley's Fireman meet.

Sports camp nears

Registration deadline for the Halton Hills Sport and Fitness Camp, this year to be held in Acton, is next week.

And says director Mike McMahon, applicants should get their registrations in as soon as possible.

Last year's camp the initial season, attracted 225 children between the ages of seven and 13. Although the camp was held in Georgetown, at least 40 of the children were from Acton.

That led to this summer's expansion of the camp to Acton. The camp starts August 4, with McMahon and Bob McKay, both of Acton, running it. The camp is run by the Halton Board of Education, in co-operation with the Halton Hills Recreation Department. Registration forms were sent home with school children but are also available at the Recreation office on Mill Street.

AHS third

AHS midgets finished in third place, out of six teams in the secondary school rugby league, a commendable showing in their debut season.

They lost their last game however, to a strong Chinguacousy team, 22-0, suffering a let-down in the final minutes of play in the first half.

The juniors meanwhile lost to Ching 27-0, after they too suffered a lapse in the final minutes of the game. The juniors finished their season Monday and have ended in third or fourth place, depending on the results of the game.

Midgets still see some action however, when they travel to the all-Ontario high school championships in seven-a-side rugby tomorrow in Guelph.

Local blades pass tests

Several local skaters passed tests Saturday at the Silverthorn Spring Skating School, under the instruction of Nancy Lovett, who served last season as the Acton Skating Club's pro.

Jason O'Neill passed the dutch waltz, Tom Atherton passed the swing dance and Jillian O'Neill passed novice one and dance one badges.

HOW THE RIGHT BRAND OF WATER SOFTENER CAN BE WRONG FOR YOU

Choosing a reliable brand of water softener is important. But if it's the wrong size, or it isn't set up to treat the size and type of impurities peculiar to your water, you won't enjoy the benefits you've paid for.

Few people have all the answers needed to choose the right water softener for their needs. If you don't, ask

Boehmers water softener experts to help. We'll determine your future water consumption level. We'll analyze the impurities in your water, and, relying on years of experience, we'll recommend the right brand, type, and size of water softener to satisfy your needs.

And, of course, we'll ensure that it's installed properly. All at no additional charge.

Farming counts for a lot of the picture.

June 3 is Census Day, and it's a day that really counts for farming.

Census information is vital to the growth of agriculture. It helps us build markets here and abroad. It lets us plan new programs for the improvement of Canadian farming. It even shows farmers how their farms compare with others in the area.

It's not difficult. Every farmer will receive a Census of Agriculture and a Census of Population questionnaire to fill in on June 3. These will be picked up shortly after Census Day. If you do not receive your questionnaires by June 1, or if you have any problems completing them, just call the Operator and ask for Zenith D-1981.

It's between you and us. A census is so important to Canada's future that, by law, you must participate. This same law guarantees that the information you supply is kept completely confidential. Census employees — and only census employees — have access to it.

It's your future. Remember, the Census of Agriculture helps us paint the future of farming in Canada. And we need your help to make the picture perfect.
