### 35 youngsters in Optimist bike rodeo

Despite Saturday morning's rain 35 youngsters participated in the Acton Optimists' bike rodeo at M.Z. Bennett School. The event was to be held at McKenzie-Smith but was moved next door. The youngsters viewed a film and heard about bicycle safety from Halton Regional Police safety officer Raj Swaminathan. Later Optimist Club members checked each child's bike for safety equipment and road worthiness and then they performed various tests and manoeuvres. Michael Brooks took top spot in the age 7 and 8 class with a mark of 83. Jason Wedmore was second with 79 and Jennifer Lee came third with 74. First place in the age 9 and 10 category went to Shawn McFadden who earned a near perfect score, 98. Jeff Rue with 96 claimed second spot, edging Parris Jago who was third by one point. Jason Shaffer piled up 93 points to capture first in the age 11 and 12 group. Tina McFadden was second with 89 and Walter Crozen's score of 86 earned him third place. Kevin Brook was first with 96 in the age 13 and 14 class and Tili Jago was second with 94. A third place finish wasn't awarded.
