

Larry Greaves, head of the Acton BIA, drew Saturday's Acton ticket.

Everything including the kitchen sink was on sale at the Acton Citizens' Band sale Saturday. Here Hugh and Marion Patterson invite buyers to grab the bargain.

### Foot decorating at Acton Library

Curious George helped Shadan Irving decorate her foot at the Acton Library Saturday.

Children had lots of fun decorating their toes and feet at the Acton Library Saturday. Here Gillian Balkind paints a design.

### Legion happenings

by Bill Cook

Joe and Nan Hurst visited the British Legion Branch in Acton (London) England recently and the Branch president gave them a plaque to present to Branch 197 President Jim Higgins.

This Sunday an open house will be held from 1 to 4 p.m. to celebrate our 50th anniversary. The public is invited to view our facilities and gain some insight into the many activities the Branch offers.

Don't forget the beef barbecue on Saturday, June 20. Tickets are on sale now.

Amateur night in the lounge is this Friday, June 12. Anyone is welcome to participate.

Thanks to all who helped out and turned out for Decoration Day.

Two new Ladies' Auxiliary members were initiated at our last meeting before September, Sandra Hulme and Patricia Walsh.

It has been decided to paint the outside of the building and at their meeting Thursday the Ladies' Auxiliary assumed the responsibility of paying for this project, called Operation Facelift. An initial donation of \$1,000 was presented to the Branch for Operation Facelift.

A bus trip to Canada's Wonderland has been planned for late summer.

If anyone can offer assistance at Wednesday Night Bingo they're asked to call Ruth Courtney. A \$100 donation was made to ActiVan.

OUR REG. 229.95

It's safe from termites or rot, whether you paint it or not.

## OUTDOOR WOOD

Outdoor wood is obviously the smart choice for a sun deck, especially if you plan to build one near water. It's pressure treated with preservative chemicals to resist rot and termites for decades. The sun won't dry the chemicals out and water can't leach or dilute them. Great for any outdoor project including fencing!
