Tri-County report

Peewees' McIntyre whiffs seven, dumps Brookville

The tri-county peewee boys split a pair of games last week, dumping Brookville Wednesday 6-2, but losing to a much-improved Fergus team 10-7 Thursday.

In Wednesday's game at Prospect Park, Brookville took an early lead with runs scored by their opening batter in both the top of the first and second. But by the bottom of the second, Mike Cunningham and Kevin Lobsinger scored tying the match.

Spencer Smith and Cunningham crossed the plate in the third, Chris Cooney touched home in the fourth and Lobsinger rounded out the scoring with his run in the fifth.

On top of his two runs, Cunningham played well defensively at first base, while Randy McIntyre, pitching his first game of the season, struck out seven Brookville batters.

Thursday was a different story however, as the peewees committed about every error imaginable, and invented a few of their own enroute to a 10-7 loss to Fergus.

Two dropped flies and two bad throws led to four of the 10 runs by Fergus.

Cunningham and Mike Ormsby scored Acton runs

in the second, Brian Demone White and Lobsinger touched home in the fifth and Demone and Louney crossed the plate in the seventh.

Acton's next game is tonight (Wednesday) at Prospect Park. Game time is 6:30 p.m.

Girls in rematch

Ed's In-n-Out Inter-county Midgets have been up and down throughout most of their 1981 season but it was never more evident than this past weekend when they travelled to Bracebridge to compete in that town's annual midget tournament.

Over the journey the In-outers played what coach Dan Arbie considers one of their worst matches of the year, losing 11-0 to Eringate. One game later it was an entirely different squad on the field as they

outrid Bracebridge 7-0 before falling back into a rut losing 4-2 to Minesing.

In the 11-0 five-inning loss to Eringate the normally strong Acton pitching wasn't there. "Our pitchers just weren't ready," commented Arbie. Dave Wilson started the game for Ed's lasting only two innings and giving up six runs before giving way to Rob Vermeulen, who had trouble finding the plate.

On defense Acton was non-existent according to Arbie and one run was enough to beat the locals, they picked up only one hit, a single by Tom Shan-
