**BRITAIN MADE EASY!
\$300 DOWN**

To combat the inflationary effect of price increases, Wardair introduces the DEFERRED PAYMENT PLAN. It's simple - \$300.00 per person down at time of booking and the balance in two equal payments, two months and four months AFTER you return to Canada. Payment can be made by American Express, Master Charge, Visa OR by personal cheque.

Flights are governed by the Advanced Booking Charter procedure of the Canadian Transport Commission and are approved by the Air Transport Committee.
