

Miracle Food Mart

60 DAY PRICES FROZEN

Like you, Miracle Food Mart is concerned about rising food prices. We already have more lower prices than any other major supermarket*, but we saw the opportunity to do even more. So we identified the key items you need now, we lowered our prices even further, and we are freezing these prices for 60 days. From now until August 29 - no matter what happens to the manufacturers' prices - our prices will remain frozen on these items at this lower level.
