Note special rule in cattle classes. No animal or bird will be allowed to compete in more than one section except as one of a team, herd, pen, or a special.
5. The judges may rule out any animal or article wrongly classed or which they consider undeserving a prize. Directors attending judges are to have Rule 5 strictly enforced. The judges have the discretionary power of withholding or reducing prizes if in their opinion the articles exhibited do not merit them. The judges may also recommend additional awards if they consider them necessary.
6. The Society will take all reasonable precaution to insure the safety of articles on exhibition, but should any article be accidentally injured, lost or stolen the Society will not be responsible for the value thereof.
7. Correct address must be given on each entry form sent in by exhibitor. The Secretary will after the date set forth for paying the prize money viz. 15. The Directors reserve the right, if from any cause receipts for the year are not sufficient to pay the prize list in full, to pay such portion, as the Board deem possible after paying necessary expenses.

16. Exhibitors are strictly prohibited from conversing or interfering with the judges while they are occupied as such. Parties violating this rule will not be paid the prizes that may be awarded to them.

NOTICE REGARDING ANNUAL AND CHALLENGE TROPHIES

The Directors of the Acton Agricultural Society appreciate the many trophies that have been donated by firms and individuals to be presented at Acton Fair. The trophy will be presented in the show ring and then left with the Director, so that engraving may be completed, and delivered to the recipient as soon as possible. In the case of a challenge trophy, we ask that it be returned to the Secretary one month before the next fair. Challenge trophies must be won for three consecutive years to gain permanent possession.
