Sorry we had to cancel the family picnic on Sunday but we can't control the weather. The new date for the picnic is September 13.

On the sick list are Del Jordan, A. Perry, F. Wright, Joan McKnight, Mary Cooney, L. Robinson and L. Cutting.

The service officer will be at the Branch at 10 a.m. on October 5. Concerned veterans should contact Vic Patrick, 853-0006, before September 15 for an appointment.

The fall fair is rapidly approaching and there will be a full slate of activities at the Branch commencing with a breakfast on September 19. The auxiliary will make meals all day, our members will parade and it is hoped some inventive members will come forward with ideas for the float on the theme of our 50th anniversary. Our fall fair activities will be topped off with a dance on Saturday night.

Entertainment in the lounge will start on Friday, September 4.

The Ladies' Auxiliary had a very enjoyable bus trip Saturday to Wonderland and Ontario Place.

Auxiliary members are reminded of the general meeting on September 3.

Drug war is most advanced in Halton

The Halton Board of Education is the most advanced board in Ontario in accepting responsibility and taking a stand in dealing with drugs and alcohol, according to a representative of the Addiction Research Foundation (ARF).

Dick O'Brien, community consultant for the Halton Region, told board members Thursday evening that "this board is the most co-operative in taking a definite stand," in the war against drug addictions.

He and his co-workers have also been very impressed with the co-operation from board staff, he told trustees, especially people like Em Lavender, director of education, R.G. Stoness, superintendent of instruction, Bob Williams, Jack Richardson and June Thompson. The ARF, in conjunction with the board, has set up a training program for 18 teachers to train others in how to deal with the drug problem, particularly in health courses so the teachers have the confidence and competence to deal effectively with the students.

A resource package will be made available in every library in all schools in Halton, O'Brien said, to make the information readily available to the students.

Students around the region were asked to comment after reading the package. One grade nine student said "I found that this course helped me understand the drug problem today.

It has discouraged me from trying drugs."

A grade seven student said she was afraid to discuss drugs with family members, but now she can learn it all at school.

A grade four Acton student thought the film

offered was very good.

"Now my mom is trying to stop smoking," she wrote.

Board Chairman Bill Lawson said programs have been aimed at the secondary level, but there is a definite need to have it in the younger

grades.

O'Brien showed a Wall Disney Cartoon with a cigarette addict Goofy, who is trying to quit. At the conclusion of the cartoon, Lawson remarked, "As a smoker, I have no comment."

A brochure put out by

the board and ARF revealed that 82 per cent of secondary school students drank alcohol in the last year, 62 per cent of grade 12 students had used marijuana, 70 per cent of alcohol users started before grade 6, 38 per cent of marijuana

users started before grade 8, 68 per cent of secondary school students found marijuana easy to get, and 10 per cent of secondary students have personal problems related to their use of alcohol or other drugs.

ONTARIO

SENIORS... ONTARIO PROPERTY TAX GRANT APPLICATIONS.

Last year Ontario replaced its system of Tax Credits for seniors with a new program of Property and Sales Tax Grants to help offset municipal, school and retail sales taxes. The Property Tax Grant of up to \$500 per household is provided in two installments annually. The Sales Tax Grant is an automatic \$50 paid each year to all Ontario residents 65 and over.

PROPERTY TAX GRANTS

APPLICATIONS

The 1980 Property Tax Grant was paid to recipients in one payment. In 1981, the Grant is being paid in two installments. The first payment, sent automatically in the spring, was equal to one-half the amount of your 1980 Grant.

To qualify for the final installment you must submit an application to the Ministry of Revenue.

If you receive the federal Old Age Security pension, and are eligible, you will receive this application for your Property Tax Grant during the first half of September, 1981. Those who reach the age of 65 between now and December will receive their applications early in 1982.

Seniors who are not eligible for federal Old Age Security payments, but who have previously established eligibility for the Property Tax Grant will also receive an application.

The Ministry of Revenue is mailing applications only to those seniors who are thought to be

eligible. If you do not receive an application by September 21 and feel you qualify, please contact our toll-free Information Centre.

ELIGIBILITY

If you're 65 or over and own or rent your home you're eligible for the Property Tax Grant of up to \$500.

If you rent your grant will total 20% of your rent or \$500, whichever is less.

If you own your principal residence your grant will equal the amount of your property taxes or \$500, whichever is less.

If you are married and reside with your spouse or if you share accommodation with someone over 65, only one grant will be paid per household.

If you share your home with anyone over 65 other than your spouse, the grant will be apportioned according to rent or property tax paid.

Take care to complete your application form accurately!

Take a few extra minutes to fill out your application; and then check it again for accuracy. This makes it much easier for the Ministry to process your form and get your cheque to you.
Cheques will be mailed beginning the latter part of October.

EXCEPTIONS

If you reside in a nursing home, a home for the aged or similar institution, you're not eligible for the Property Tax Grant unless you pay for the full cost of your care and the institution pays municipal and school taxes.

If you reside in a tax-exempt property, you are not eligible.

However, if you move into a tax-exempt property or a nursing home, home for the aged or similar institution during 1981, you are eligible for a Property Tax Grant based on your occupancy costs prior to your move.

If you moved permanently to Ontario during 1981, your Property Tax Grant is based on the time you resided in Ontario.

SALES TAX GRANTS

The \$50 Sales Tax Grant cheques will be distributed automatically to all Ontario seniors in October.
