* "Lowest prices to date in '81" refers to advertised prices, coupons excluded, by the four major chains in this area. Source of pricing has been the actual Wednesday newspaper food ads from January 2, 1981 until September 3, 1981 that have covered this market. This offer excludes new store opening specials, eg. "buy one, get one free," or minimum purchase requirements, eg. "free with \$25.00 purchase" etc. A list of the four (4) major chains is available at each Dominion Store.

"WAS" refers to Dominion's Regular price. "NOW" prices effective until close of business Tuesday, September 15, 1981, except: Produce, Fresh Fish and Bakery which are effective until closing Saturday, September 12, 1981.
