MAGIC MOP

Removes grease from hot food like a magnet!

The inexpensive, hand-held Magic Mop is designed to remove calorie-laden grease from hot food and was adapted for kitchen use from successful technology developed to clean major oil spills in the ocean. Attracts grease from hot foods like a magnet!

- **LOWERS CALORIES**—because excess grease and oil can be removed from hot foods.
- **SAVES TIME**—cooks no longer have to wait for hot grease to cool and solidify before spooning it away!
- **EASY TO CLEAN**—the oil or grease clinging to it can be wiped away with a paper towel or washed away under a hot water tap!
- **DISHWASHER SAFE!**
- **PRODUCT CARE**—instructions in package.

Endorsements

- Harris Mitchell — Today Magazine, Editor of Canadian Homes — "Calorie-conscious cooks will appreciate Magic Mop..."
- "Made of an easily cleaned synthetic fibre that was developed to soak up massive oil spills..."
- Jim White — Food editor, Toronto Star — "We tested Magic Mop in The Star test kitchen and it passed with flying colors..."
- "It looks like a butter brush but instead of spreading calorie-rich oil over your food, the Magic Mop eats it up..."
