

This unique chain saw accessory grinds a razor sharp edge on any size chain using specially designed grinding wheels. All you supply is a 1/4" portable electric drill (for best results use 2,000 R.P.M. or higher). The Benchmark sharpener assures the correct grinding angle and a built-in gauge maintains the proper guide height. It produces a ground edge - much sharper than a filed edge.

Replacement grinding wheels are available in 5/32" and 7/32" sizes.

Touch 'N' Foam Instant Insulation -

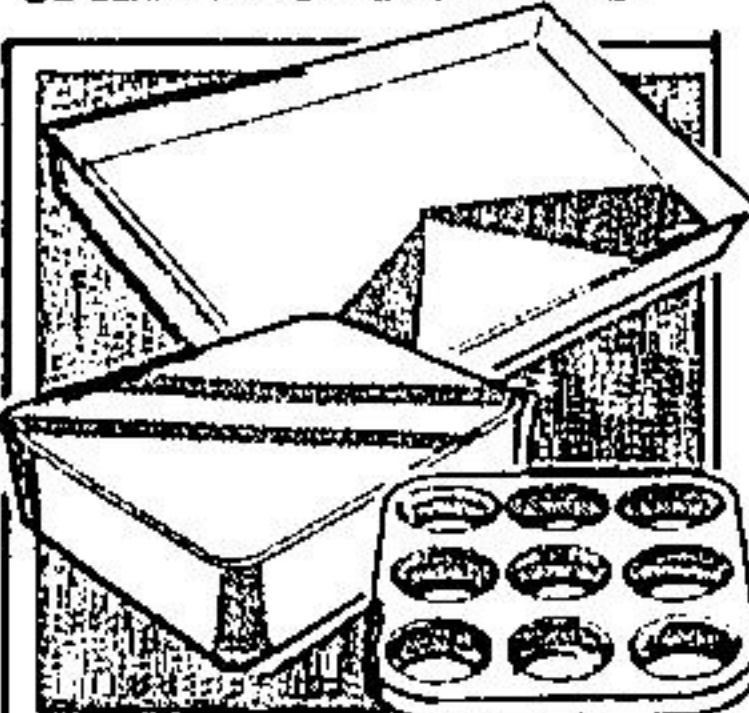

This product has passed the Federal Hazardous Substances Labelling Act enforced by the Food & Drug administration.

Touch 'N' Foam is not considered a hazardous material as defined by the Department of Transportation. It has passed both open and closed drum flame tests. It is impervious to freeze-thaw tests.

It has a density of 1 1/2 pounds per cubic foot. At an approximately 70° temperature it has a 2 year shelf life. It dries tack-free at 70° F in 20 minutes and has a tack-free time at 35° F of 3 hours. At 70° it cures in six hours and at 35° F it cures in 24 hours.

Its non-toxic properties make this an insulating product where it is possible with none other.
