## Mennonites

### Pull down landmark at Edgewood Park

A group of Waterloo County Mennonites came in last week and very carefully dismantled the old 60 foot by 100 foot dance pavilion built under the guidance of Mac and Edythe MacDougall about 60 years ago at Edgewood Park.

Many folks will still remember good times spent dancing there. The Mennonites plan to use the materials salvaged to build a two-level workshop.

In 1944 the Eastern Canada Synod of the Lutheran Church in America purchased the park from MacDougall's for use as a children's summer camp. Miss Judy Brown, camp director reports plans are underway for a modern multi-purpose dining hall to be built where the old pavilion stood.

The new structure will be part of a large-scale redevelopment plan for Camp Edgewood which when completed will include a reconstructed pond, additional sleeping and eating areas, an office-residence facility and the new main dining complex. With the new, warmer building, more winter activities can be planned and the camp will be used the year round.

### Tree limb kills man

An RR 5, Rockwood man died in a freak accident last week, after a tree limb struck him in the head.

Guelph OPP say John William Hill, 71, was found on his property by a neighbor. Police surmise Hill was cutting down a tree when a branch of another tree fell and struck him. The incident occurred sometime between 4 p.m. October 8 and 2 p.m. October 10, police say.

The Hill property is located about four miles north of the hamlet of Eramosa.
