

## striking wall system at great savings

Striking, exquisitely crafted contemporary wall system that's high, wide and deep. Notice the artful mixture of brown and almond finish highlighted by the brass finished accents. This complete system brings you two sections with glass doors and an inside light to display your personal treasures, an adjustable shelf and two doors on the lower portion. The middle section includes two adjustable shelves and four drawers as pictured. 78" x 16" x 71" high. Be sure to see this exceptional value.

## classic traditional diningroom suite

Crafted of selected mahogany veneers and hard maple solids, finished in hand-rubbed Antique Mahogany. Highlighting this suite is an elegant break-front-style china cabinet with reverse diamond matched veneer inserts and antique style hardware. The oval table, with square turned tapered legs, will expand to seat six. The arm chair and three side chairs repeat the leg design and have elegant cane backs with upholstered seats. The Arlington diningroom will make an elegant addition to your home.
