COALPORT

Coalport English beauties.

Lisa, in blue, sits and smiles — waiting, perhaps, for the maid to bring tea. Teresa, in pale gold (with matching hat) walks in a summer garden. Lucy, resplendent in off-white and burgundy, stands in her drawing room, listening to

the clip-clop of hansom cabs in the street below. Coalport's three new china figurines, each an exquisite hand-painted echo of another era, are true English beauties — the ultimate expression of craftsmanship. You'll love them.
