The WURLITZER[®]

D-5 Contemporary Sienna Walnut Polymer

Instant Entertainment... a new meaning for Easy-Play through Wurlitzer technology. With the new Programmable Registration memory, you tell the organ the sounds you like and it remembers... and keeps them available at the touch of a button. For the beginner that means instant entertainment and more fun. For the advanced players it means more versatility... more flexibility.

Experience Instant Entertainment with the full, rich Wurlitzer sound...

- Two piano voices, a bright solo piano on the upper keyboard and a mellow combo piano on the lower.
- Full sustain on both keyboards.
- Easy-Play features... Touch Tone/Dancing Chords.
- Ten realistic automatic rhythm patterns... waltz, country, rock, disco and more.
- Instrumental sounds... banjo, sax, flutes, clarinet, trombone.
- Programmable Registration lets you make complex registration changes at the touch of one button.
