UCW makes donations
by Mrs. G. MacDouxall

Recent visitors with Mrs. William McLean were her two granddaughters from California, Debbie and Diane McLean.

The UCW regular meeting was held in the Sunday School room with Mrs. Ruth Millson as hostess. The devotional was taken by Mrs. Edith Jennings and the topic was "Beyond the world's horizon is Jesus Christ". The hymn "Behold us Lord, a little space" was sung.

In the business period, the minutes were read by Mrs. Freda Thompson. The treasurer's report showed a good balance after the last luncheon. In the flower report, flowers were sent to Mrs. Susie Wilson who has gone to live in the Elliott Home and also to Ben Saulnier who was in the hospital. A motion was passed that a donation of \$25 be given to the Guelph Mobility Service in recognition of the disabled. Donations were made to Bizak Foundation for \$25 and the Victor Home for \$15. Christmas gifts of cookies and flowers are to go to the senior church members and past members. There was a motion to order 12 subscriptions of The Upper Room.

After a discussion a motion was passed that there will not be a luncheon in the hall in December and will continue again on the first Wednesday in February. Mrs. Betty Snow and Mrs. Wilma Fuller are the nominating committee for 1982 executive. Mrs. Parker closed the meeting with prayers, Mrs. Lorna Tomlinson and the hostess served a delicious salad plate and a social time was spent.

Mr. and Mrs. Pete Ortleib of Newmarket spent Sunday with Mr. and Mrs. Ralph Thompson.

At Sunday's service, Rev. Carrie Doehring baptised Amanda Helen, daughter of Jack and Sharon MacDonald. A special welcome was made to the godparents Leo and Debbie Bowie and to Sharon's kin, The Thomas family.

The annual meeting of the Community Club will be held on Tuesday evening, December 1, at 8 p.m. Anyone wishing to nominate persons for positions, please phone Mike Marshall at 856-4035. Everyone is urged to attend this meeting.

This Saturday, November 28, is the Community Bazaar at the hall—come on out—the time is from 2 to 4 p.m. Setup for groups is Friday night at 7 p.m. The Brownies would appreciate donations of used books and toys.

Just in time for the Holidays!

Osprings
Underground wires provide better service

by Doris Fines

We have now joined the underground. On Friday Ma Bell led us into the maze of that vast interior network. Since then voices have come through clearer, with less static than before. In some businesses it is painful to get grounded, but in others it is better to get right down to earth than to be left hanging in mid air. One sad part though, when the telephone cable comes down, the birds are going to miss their favorite perch.

The First Osprings Scouts, with their leader Robert Brown, went camping on a recent weekend, at the Barber Memorial Scout Camp, Guelph. At the end of the three days the boys were given their activity badges. To earn these badges the boys had to take part in all events, such as campfire lighting, axe handling, chopping wood, pancake making, pioneering, hay wire bridges, still walking, Coleman stove lighting, and a campfire skit or song.

Robert Fuller of Brampton, John Fuller, Bill Fuller and Gary Ferguson, spent the weekend in Montreal, and attended the Grey Cup game on Sunday.

Robert and Susan Bruce and sons David and Neil of Burlington visited on Saturday with Bob's parents Mr. and Mrs. Byron Bruce and Bradley.

Mrs. William Rupka was hostess for the November meeting of Osprings Ladies Aid. Laura Stewart opened the meeting with a hymn, followed by a reading—My Handcuffs, What are Yours?

The roll call was answered by eight members, who were to show a baby picture. The study book, by Anna Aitken, was taken from the Bible on Abraham and Sarah on their journey of life.

For the program Blanche Bruce had a reading called Hem and Haw, also a word contest on Remembrance, which was won by Mildred Sinclair.

The meeting closed with prayer and lunch by the hostess.

Industrial land...
(Continued from page 7)
bylaw and nothing has been done, referring to an incident a few years ago when a storage building was erected and made into a home, against the bylaw. Smith pointed out nothing can guarantee what a council will do, but residents must "have faith" in elected officials. He noted the people had "paid dearly" for breaking the law.

Some residents said they would fight any rezoning of any kind, anywhere. Others supported the move.

A previous questionnaire had been sent out to homeowners in the proposed areas with many coming back in favor of having their land rezoned. A handful did not respond and a handful indicated they were against any rezoning.
