**die-cast METAL 1/2 PRICE AND LESS**

**Model A Ford Die-Cast Metal**  
 Still in demand for restoration, hot rods and fun, the Model A today commands a price far in excess of its original showroom cost. These eye-catching hobby kits capture all the qualities of the prototype that made the Ford "A" the most popular car of the thirties. Over 35 parts in die-cast metal and plastic finish into a model 7 1/2 inches long to 1/20 scale realism. Front wheels steer, hood lifts off to show the famous four-cylinder engine. For ages 8 to adult.
