CLOSED
All Stores Re-Open
Saturday - January 2, 1982.

METRIC SHOPPING IS COMING
Starting in January, government legislation requires us to begin carrying scales in metric. After conversion, food weighed in our stores will be sold in kilograms. One kilogram is approximately 2.2 pounds. The retail cost of product will not change due to metric conversion. The cost per serving will stay the same. Although some products may still be sold by the whole, half or number, the price of items weighed in stores will be based on the price per kilogram.
