lcy patch blamed for car accidents

Sanders were called out to Highway 25 early yesterday (Tuesday) morning after two identical accidents within an hour of each other.

Milton OPP say the first accident occurred 1.3 kilometres south of 25 Sideroad at 7.10 a.m. Police say Michelle Heath, RR 1 Acton, was southbound on Highway 25 when her vehicle hit a patch of ice, went out of control, skidded into a ditch and rolled over,

coming to rest on its roof. Mrs. Heath, and passengers husband Ian Heath, and daughter five-year-old Lorraine all escaped injury. Damage to the vehicle is set at \$2,000.

Only 55 minutes later, at 8.05 a.m., 100 feet from the spot of the first accident, a car driven by Cynthia Blades, 160 Tidey Ave., Acton hit the same icy patch and also rolled over on its roof.

Miss Blades injured her left knee in the crash, but was not taken to hospital, according to police. Acton Firelighters were called to the scene to free Miss Blades from her vehicle, but Fire Chief Mick Holmes says a nearby resident had already freed her by the time they got there.

OPP have not estimated damage to the Blades' vehicle.

Donate to heart fund

by Ruth Krapandonk

The ladies of Dublin Women's Institute gathered at the home of Mrs. A. Diamond of the Fourth Line, Nassagaweya, for our February meeting. Our President, Mrs. H. Besley began with a Valentine poem of love, followed by the Institute Ode, Mary Stewart Collect and the Lord's Prayer.

Roll Call was answered by naming a household task you like the most and one you like the least. Minutes of the previous meeting and correspondence was read and discussed.

Donations will be made of \$1 per member to the Adelaide Hoodless Homestead Fund, and \$100 donation will be made to the Heart Foundation. It was also decided that ActiVan will again be support-

Some of our ladies will be travelling to Milton for a workshop in March on "Simple Home Repairs", sponsored by the Home Economics Branch. At one of our up coming meetings, we will be having a film from the Canadian Cancer Society on breast selfexamination.

The tables were turned this month when our catering committee was entertained at the olde Hide House for a lovely evening in appreciation of their hard work in various catering functions over the years.

The topic being Mental Health, we enjoyed an article from convener, Mrs. K. Smith, on the effect and ways to cope with pressure, a subject we all encounter at some time.

We had an enthusiastic visitor, Mrs. Bonnie Newton of the Nassagaweya Women's Institute who is planning a project on researching the north part of Nassagaweya Township, to find the history of the people and area. It was decided that we will cosponsor this research which will entail hiring two or three summer students to investigate this, and eventually have it published to be available to the

Support was given to reimburse our 4-H Leaders for expenses with their present project on breadmaking. Mrs. D. Hunter conducted a game on household chores, and a short quiz. Our meeting ended with Mrs. W. Britton giving

courtesies and our social committee, Mrs. E. Wilson, Mrs. K. Smith and Mrs. E. Norton serving a lovely lunch of open face sandwiches and relishes.
