Headphones are unsafe

Stereo headphones aren't safe, but they won't likely lead to permanent hearing loss, according to Halton's Medical officer of health. Dr. Peter Cole told members of the Region's health and social services committee recently that a person using the equipment could suffer temporary hearing loss after about twenty minutes at a high volume.

"Even the most avid rock and roll fan would have to continue the sound level at almost intolerable levels for a full eight hours for several years before a permanent hearing loss would result," he wrote. Concern over the safety of the headphones has been raised by a recent incident in Toronto in which a man was killed by a train.

"Steam" carpet cleaners are OK. Steamatic is better.

When your dishes aren't very dirty, a soap and water rinse is fine. But there are times when a real cleaning is necessary.

The same thing applies to carpet cleaning. If your carpets need a light cleaning, a "steam" method is OK even though the warm water rinse just gets the surface clean. But when you want your carpets deep down clean, call Steamatic.

Steamatic's patented, controlled-heat system works not only on the part of the carpet you see, but more importantly, on the part you can't see. The part where ground in dirt is causing friction among the fibers, causing them to wear down more quickly.

Get your carpets thoroughly clean. Deep down clean. Steamatic clean.

"If you're dreaming of an Armstrong Solarian no-wax floor... just look at this sale price!"

"We want to make it easier for you to own a no-wax floor! Because—let's face it—buying a floor you have to wax is like buying a car you have to crank by hand. Or a shirt you have to hand-iron. Nobody wants the drudgery of stripping off old wax and putting on new. With Armstrong Solarian, life is a lot easier. The Mirabond® wear surface keeps its sunny shine far longer than an ordinary vinyl floor. Every time you mop it clean, it really does look just-waxed!"

"That's why we're offering—for a limited time—a big selection of Solarian patterns and colors at this special "Stop Waxing" sale price. Come in now, while you can have your pick... they won't be here long, at this price!"
