**Motorcycle accident**

An Acton area man was taken to Georgetown Hospital last Tuesday night after the motorcycle he was riding went out of control and overturned on 25 Sideroad.

John Adamiak, 32, of R.R. 1 Acton was riding his motorcycle westbound on the side-road when the cycle veered onto the soft shoulder.

**Grass fire**

Acton Volunteer Firefighters were called to a grass fire at Indusium last Wednesday afternoon.

There were no other fire calls last week according to fire chief Mick Holmes.

**Golden Agers Show quilt May 14, 15**

by Edith Frankland

The afternoon meeting of the Golden Age Club was held on May 4 in the Luxton Hall. Arrangements were made for the selling of tickets for our quilt, which will be on show at the Willow West Mall in Guelph on May 14 and 15.

The next meeting will be on Wednesday May 19 at 7:30 p.m. We will be entertained by the orchestra and guests from Milton. We truly enjoyed them the last time they visited us.

Five committee members from the Golden Age Club attended the zone meeting in Milton on May 5.

Claire Reed was in the chair and welcomed all present.

We had a review of the 1982 Rally, which was followed by suggestions and ideas for the 1982 Rally.

This being election year, the Chairman called for nominations for the next Chairman. If you have any good ideas, please send them on.

The zone picnic will be at La Salle on Thursday, July 15. Lunch at 12 p.m.

FIXED PICTURE SIDE SLIDER DOUBLE HUNG

# HOW TO SELECT A REPLACEMENT WINDOW

**Ease-of-Installation**  
The Woodoor R-800 replacement window is designed to fit right into your existing window frame. No need to knock holes in your walls or make windows smaller. Each Woodoor R-800 is custom built to your sizes so they match your needs for your home.

Your contractor can install R-800 replacement windows in a matter of hours; you could even do it yourself!

**Energy Efficient**  
Most manufacturers offer double or triple glazing as features to their replacement windows. However, there's more to an energy-efficient window than the glass itself.

Woodoor R-800's are constructed of non-conducting, rugged white vinyl that stays warm to the touch on even the coldest days.

And to make our windows even more energy-efficient, each window is completely weatherstripped to seal out drafts and cold.

Look for the energy saving features of the Woodoor R-800 when selecting your replacement windows.

**Easy-to-Clean**  
Twice a year most Canadians get out their ladders to start cleaning their windows.

With the Woodoor R-800 you can put your ladder away. Our windows can be cleaned from the safety and comfort of the inside of your home.

Our double-hung windows tilt in to make cleaning both surfaces a breeze.

And our sliders are just as easy-to-clean from the inside with the removable sash.

Look to the Woodoor R-800 when selecting replacement windows that are easy-to-clean.

**Never Needs Painting**  
Woodoor R-800's are constructed of tough, rugged white vinyl that never needs painting. They don't crack, peel or chip and will stay new looking for years to come.

Look to Woodoor R-800 when selecting replacement windows that never, never need painting.

**Warranty**  
Woodoor R-800 replacement windows are guaranteed to be free of defects in material and workmanship and our insulating glass is also fully warranted.

Woodoor is a division of Dashwood Industries Limited of Centralia, Ontario, Canada's largest window manufacturer supplying quality windows and doors to Canadian homes for 54 years.

Look to Woodoor R-800 for replacement windows that are guaranteed to stand the test of time.

**Daughters of Knox Discuss Pluralistic Church**

The regular meeting of the Daughters of Knox was held in the Mary Ellen Anderson room on Monday May 3.

Vice-president Jane Robertson was in the chair and opened the meeting by reading a poem entitled "My Mother."

"Living for Jesus" was sung and the club's mottoes repeated. The secretary's and treasurer's reports were given by Betty Ashley and Margaret Toth. Roll call was answered by the presentation of items for the craft show next October. The Euchre report was given by Georgina Van Fleet. Suggestions for the June meeting were then discussed.

The meeting was handed over to Annetta Van Fleet and her group who then conducted the Study Book portion on the subject "The Pluralistic Church." The members were divided into two groups, and a question and answer period followed. The Worship service was then led by Annetta Van Fleet. The hymn "We Find Thee, Lord" was sung. The scripture portion was read by Lena Nelles. Gladys Price gave a reading from the Study Book. Prayer was offered by Annetta. The offering was received and offertory prayer given by Renee Watson.

The hymn "In Christ there is no East or West" was sung. The Benediction was pronounced by Margaret Toth. Refreshments were served and an hour of fellowship enjoyed.
