Tennis Sidelines

The Acton Mixed B team played their first fixture of the season against Rose Thorn on May 11 and must have mixed feelings about being promoted from the C league as they were hit with a 5-1 loss. Only the pair of Eileen Saville and team captain Mike Morris managed to win their match.

Their next fixture, against Brampton, was scheduled for May 18 and the next few fixtures should allow the team to evaluate itself in the new league. It certainly looks as though the team has to field only its strongest players to remain in

contention. The ladies Wednesday B team under captain Marcia Gregg started the season in good style with a 3-1 win over Whiteoaks. Their next fixture is on May 19 at Martin Grove.

Also continuing their winning ways of last season, John Kavanagh's junior boys team took a 4-2 decision over Malton. Some of these juniors have now reached a level where they can give the better senior club members a run for their money.

Their next fixture is away to Gordon Alcott, Saturday morning May 22.
