## THE REGIONAL MUNICIPALITY OF HALTON PUBLIC NOTICE ROAD CLOSING

**TAKE NOTICE** that the Council of the Regional Municipality of Halton intends to pass a by-law to close and convey a portion of Regional Road 13 (Mountainview Road North) described as Part 1 on Reference Plan 20R-5440 and located in the Town of Halton Hills. This portion of the road has been deemed surplus to Regional needs and the soil and freehold will, if the by-law is approved, be offered for sale to the abutting property owners.

At a meeting to be held on Wednesday, June 16, 1982, at 8:30 a.m., Regional Council, by its Planning and Public Works Committee, will hear in person or by his Counsel, any person who claims that his land will be prejudicially affected by the by-law and who applies to be heard.

The by-laws and plans showing the lands is available for viewing at the Regional Clerk's Office during normal office hours.

**The Regional Municipality of Halton PUBLIC NOTICE Disposal of Urea Formaldehyde Foam Insulation (UFFI)**  
Halton Regional Council has approved that owners of homes in Halton will not have to bear the cost of using the Region's Sanitary Landfill Sites for the disposal of urea formaldehyde foam insulation (UFFI).  
The Region has Sanitary Landfill Sites at:  
a) The Fourth Line, in Oakville, 1.25 km. north of Highway 5, and  
b) The Highway 403 North Service Road just west of King Road in Burlington.  
Those who wish to use one of the Landfill Sites for UFFI disposal must notify in writing the Regional Public Works Department office in advance. The landfilling fees for disposal of the UFFI material will first be charged at the Landfill Site and then related to those homeowners who produce acceptable evidence in the form of a statement, from the person or company who hauled the material to the Landfill Site, setting out the name of the hauler and the source and weight of material, and the date on which it was taken to the Landfill Site.  
The District Industrial Abatement Section of the Ministry of the Environment has confirmed that the landfilling of UFFI material will not create any increased environmental risk.  
Interested parties may contact the Regional Public Works Department by phoning: 878-8113. If you are in the Georgetown area of Halton Hills 853-0501, in the Acton area of Halton Hills and northerly end of Milton 827-2151, in the remainder of Milton and in Burlington and Oakville. Please ask for extension 211.
