I wonder how many people were awakened Sunday night by that terrible clap of thunder. I know I slowly came awake thinking someone had declared war on us and forgot to tell us. The fire siren did wait but it was due to the lightning. Some damage was done to the fuse panel at Mandell Scientific (formerly Northern Stag) but fortunately nothing serious.

Soccer results for Rockwood A and B squirts. They played each other last Wednesday night (June 16) and it was a tie, 0-0.
